

Dear Association (Sport) Convenor,

On behalf of OFSAA, I would like to thank you for all of your hard work throughout the past season. Without your efforts, our students do not receive the benefits that school sport competition provides.

At this time I would like to ask for your help. In order to keep things running as smoothly as they possibly can, we need to know who will be representing your association for the upcoming OFSAA Girls "AA" Basketball championship. As soon as you know who is representing your association, please email this completed form to the championship convenor and myself. Thank you for your help in making this a rewarding experience for the students.
