

SDSSAA SENIOR FOOTBALL HONOURS TOP PERFORMERS

Thursday, December 4th, 2014
For Immediate Release

The Sudbury District Secondary Schools' Athletic Association Senior Boys Football league is coming off one of the most successful seasons in recent memory, attracting thousands of fans to James Jerome field during the regular season, and managing the closest NOSSA results in decades.

The SDSSAA sport committee announced the winners of its awards selection process following the local playoffs. Major award winners, followed by first and second team all-star selections, were as follows:

Forster Most Valuable Player

CHASE PRESSACCO – St Benedict CSS

Chase, in his second season as the Bears' QB, lead the team to its first winning season since 2011 with a 4-2 record. Chase is the type of player that hates to lose and will do everything he possible can to help his team succeed. The Bears would not have had such a turn-around season without Chase as our pivot. He was able to find open receivers, make play with his legs when no one was open and when he did find that open receiver it would back off defenders and still he would find the end zone. His arm strength is second to none as is his football sense to take what a defence gives him, and to drive the field is something to see.

League Most Outstanding Player

SAM SEDORE – Lo-Ellen Park SS

Although there were many good football players in the league this year, Sam is definitely the most outstanding player. All teams had to try to find ways to negate his effect. He was double teamed when playing defensive end constantly but still could not be stopped. Casual fans always asked "Who is that # 70?" which speaks to how noticeable he was on the field. He was so dominant that the University of Guelph actively recruited him until he signed his letter of intent. His work in the off-season and his desire to improve game to game even play to play led to his outstanding season and will contribute to his success at the next level.

**Bartolucci Offensive
Player of the Year**

HUNTER HOLUB - Lively DSS

Hunter Holub earned the award for Offensive Player of the year as the leader of the Lively Hawks offense that led the league with 223 points. Throughout the course of the season, Holub was a highly productive player and he made numerous highlight reel plays. Few players in the city could match his combination of size, athleticism as well as intelligence and his ability to make plays throwing and running made him a matchup nightmare for defenses.

**Ricker Defensive
Player of the Year**

GRAEME STEVENS - Lo-Ellen Park SS

Graeme had an outstanding season as a middle linebacker for Lo-Ellen. He does everything a coach would want of a linebacker by being a run stopper as well as covering the pass. He routinely made tackles from sideline to sideline as well as in the backfield. As a grade 11 student he was thrust into a leadership role during the second game of the season when our 5th year leader of the defense went down with an injury. Not only did Graeme step up and do an excellent job of calling the defense he took his game to another level with his performance on the field. He is a true student of the game and a most deserving winner of the Defensive Player of the Year for 2014.

**Derks Lineman of the
Year**

SAM SEDORE - Lo-Ellen Park SS

To be selected lineman of the year was a straightforward decision. Sam played offensive tackle and defensive end for about 95% of the snaps this year at Lo-Ellen Park. When the team needed yards on the ground his was the side we ran. On defense, he constantly forced running backs to change the direction they hoped to run or pressured quarterbacks in the backfield. He was dominant on both sides of the line.
