**RULES OF ORDER
(ADAPTED FROM OSSTF RULES OF ORDER)**

The responsibility for conducting meetings lies with the Chief Executive Officer, or the person designated by the Chief Executive Officer to chair the meeting or selected by the jurisdiction in accordance with its Constitution and By-laws.

ROLE OF THE PRESIDING OFFICER

- (A) The Presiding Officer calls the meeting to order at the appointed time.
- (B) The Presiding Officer announces the business which should come before the assembly in its proper order usually in the form of a printed agenda.
- (C) The Presiding Officer assigns the floor to members who desire to speak. Once the Presiding Officer has recognized the right of a member to the floor, it is the duty of the Presiding Officer to protect the speaker from disturbance or interference. On the other hand, the Presiding Officer must never hesitate, when the interest of the organization or its members requires, to permit a speaker to be interrupted, or to limit the number of speakers to a motion.
- (D) The Presiding Officer reads all motions that have been correctly moved and seconded. The Presiding Officer may require a restatement, in the best possible form and without changing the intent, of any motion the proposer has failed to submit correctly or clearly.
- (E) The Presiding Officer explains what the effect of a motion would be if it is not clear to every member. The Presiding Officer makes certain that members understand exactly what business is pending.
- (F) The Presiding Officer restricts discussion to the question before the assembly.
- (G) The Presiding Officer is responsible for answering all Parliamentary Inquiries and for deciding Points of Order and Questions of Privilege as soon as they arise.
- (H) The Presiding Officer never debates a motion while presiding.
- (I) When discussion on a question has ceased or has been closed by a motion to that effect, the Presiding Officer is responsible for restating the exact question upon which the assembly is to vote and for putting the question to a vote.
- (J) When necessary, the Presiding Officer decides whether the motion has two or more independent parts that may be voted on separately.
- (K) When necessary, to verify and indecisive vote by show of hands, the Presiding Officer may require voters to rise and be counted.
- (L) The Presiding Officer votes only in case of a tie vote.
- (M) The Presiding Officer states definitely and clearly the result of the vote.
- (N) The Presiding Officer protects the assembly from annoyance by refusing to recognize motions that are frivolous in character or that are made solely for the purpose of blocking business or of consuming time.
- (O) The Presiding Officer may be advised on parliamentary procedures by a Steering Committee which may consist of one or more persons.

RULES OF ORDER (cont'd)

DEBATE

- (A) No debate shall be held on a topic until there is a motion on the floor.
- (B) All main motions and amendments thereto shall be written and presented prior to the vote to the Presiding Officer or to the Resolutions Committee.
- (C) The mover of a motion shall have the privilege of being the first speaker in the debate on the motion, and shall have the further privilege of speaking once more to conclude the debate.
- (D) Members who wish to speak to a motion must first be recognized by the Presiding Officer and should begin by stating whether they support or oppose the motion, are moving an amendment, or have other intentions.
- (E) Members shall not speak more than once to a motion, except as provided in (C) above.
- (F) After a motion or an amendment has been debated, the Presiding Officer calls the question by asking those in favour of the motion to so indicate, followed by those opposed. The Presiding Officer then declares the motion "carried" or "lost". In the case of a tie vote, the Presiding Officer casts the deciding vote.
- (G) A time limit may be set on debate if the assembly so decides.

RULES OF ORDER (cont'd)

AMENDMENTS

(A) A motion may be amended by:

- (1) Insertion or addition,
- (2) Deletion,
- (3) Deletion for insertion,
- (4) Substitution

(B) An amendment must bear such close relationship to the motion that the basic intent of the motion is not changed.

(C) There may be an amendment to the amendment but not more than one such subamendment may be debated at any one time.

(D) The sequence of voting on an amendment motion is as follows:

- (1) the amendment to an amendment (subamendment),
- (2) the amendment,
- (3) the main motion.

INCIDENTAL REQUESTS AND APPEALS

(A) Requests (may interrupt debate; no vote required):

- (1) Question of Privilege – relates to any matter affecting rights and immunities of the assembly collectively, or to the position, reputation and conduct of members in their respective character.
- (2) Points of Order – question to the Presiding Officer regarding a possible breach of Rules of Order.

(B) Parliamentary Inquiry (must be recognized in the order of debaters):

- (1) a question to the Presiding Officer relating to procedure or to the meaning or effect of the impending motion.
- (2) a question to the debater or proposer of the motion about the pending motion.

(C) Appeals (vote required):

- (1) Appeal the decision of the Chair – the challenging member may state his/her reason for objecting to the decision of the Presiding Officer and the Presiding Officer may reply; the vote is on "supporting" or "overruling" the Chair's decision; a simple majority is required.
- (2) Appeal the decision to withdraw a motion – if any member objects to the withdrawal of a motion once it is on the floor, the assembly must vote on a procedural motion to permit the withdrawal; simple majority to carry.

RULES OF ORDER (cont'd)

Conveners must notify all schools of changes in playing dates at least one month in advance.

District Secretaries must bring a list of conveners to the Resolutions Meeting for activities for which their district is responsible. If a district is unable to host an activity due to a strike or work to rule, then the convenership of that activity will go to any other district who requests it.

POLICIES AND GUIDELINES FOR INTERSCHOOL ATHLETICS

PROGRAM RATIONALE:

This Association recognizes that in the pursuit of athletic excellence there is a definite risk of over-emphasizing the required training element inherent in athletics at the expense of the educational component. There is no disputing that the requirements for physical conditioning and regulated practice by athletic participants is a necessary part of the training function common to any education system. However, mere training to develop mastery of skill is, of itself, insufficient grounds on which to justify the inclusion of athletics in education.

For education implies, at the very least, the development of the student's understanding and appreciation of, not only sport itself, but also, the unique personal experience that comes from participation.

Consequently, the interscholastic programs should exist for the enrichment of the athlete rather than for the athlete existing for the benefit of the programs.

The goals that appear below reflect this fundamental premise.

STATEMENT OF GOALS FOR INTERSCHOOL ATHLETICS

The goals of the interschool competitive sport program are:

1. **To provide a place for all within the limitations of financial and personnel resources:**
 - i) A variety of sports or activities, appropriate to various interests, degrees of physical power, and stages of development, experience and skill, should be provided.
 - ii) There should be adequate equipment and facilities for all.
 - iii) There should be qualified leadership for the entire program.
 - iv) The superior performers should not be exploited in such a way as to detract from the ordinary performer.
2. **To promote physical well being:**
 - i) The rules of healthful living should be taught in connection with activities.
 - ii) No contestant should be permitted or encouraged to sacrifice his or her physical well-being, either in competition or in training.
 - iii) Every precaution to prevent accidental physical injury should be exercised and provision should be made to obtain prompt emergency service in the event of a serious injury at practice or in a game at any time of day or night.
 - iv) Coaches should be models of the exemplary behaviour they espouse to their players.

CODE OF ETHICS FOR INTERSCHOOL ATHLETICS

3. To promote the sound social and emotional development of the participants:
 - i) The coach, the individual athlete, and the team should make every legitimate effort to win their games. They should practice with purpose and train with dedication. They should play with intensity and desire according to the rules and ethics of healthy sport competition. They should play to win, but not at all cost. When the contest is over, they should accept the victory or the defeat with natural emotional reactions, but they do not regard losing as "the end of the world." Neither do they gloat over opponents whom they have defeated. Emotional control should be stressed.
 - ii) Recreational values should be maintained. Players should enjoy participating in the practices and in the games. Basically, sports should be fun.
 - iii) Respect for academic and other worthwhile interests should be cultivated. Participation in sports should be scheduled with due consideration to other responsibilities of the participant.
 - iv) The individual should be helped to find satisfaction in socially desirable behaviour and dissatisfaction in poor sportsmanship.
 - v) Respect for and friendliness toward, the opponent should be encouraged!
 - vi) Leadership that sets good examples in habits, attitudes, and conduct should be provided.
 - vii) Material rewards with monetary value shall not be offered for winning or participating.
 - viii) The contestant should be helped to see how desirable conduct in athletic contests is similar to that in other phases of life.

CODE OF ETHICS FOR INTERSCHOOL ATHLETICS

A. INTRODUCTION

Secondary school athletics must be influenced by values that are basic to a sound educational experience. The secondary school academic area must be solidly established but should also be surrounded by a variety of other experiences in order that students may have the opportunity to develop their potential. Inter-school athletics is one such opportunity. The quality of sportsmanship displayed at school games reflects the contribution that sports can make to the social development of the student.

It is essential that all concerned recognize the responsibility of the department heads and coaches to provide professional leadership in this area of student educational experience.

The following guidelines are offered as a "Code of Ethics" to influence the action and conduct of all who provide leadership or are participants in our program.

B. GUIDELINES

PRINCIPALS: The principal as the administrative head of the school must establish the principles of good sportsmanship in the minds of the entire school and all those who associate with any of the school's activities. The quality of the sportsmanship that is practice or displayed reflects the administrative leadership of the school.

The principal should:

1. Promote the practice of sportsmanship by all members of the school.
2. Keep athletic contests under the official control of school authorities.
3. Be aware of and understand policies and procedures relative to eligibility and abide by these policies.
4. Attend athletic contests and display a vital interest in them.
5. Be sure that parents thoroughly understand what is expected of school athletes.
6. Lend active support and encourage all efforts to discuss sportsmanship, crowd behaviour, code of ethics, etc. with the student body.

CODE OF ETHICS FOR INTERSCHOOL ATHLETICS

PROGRAM LEADERS:

The department head is responsible to the principal for the operation of the interschool athletic program. The general policies related to athletics will be determined to a large degree by the leadership displayed by the department head.

The department head should:

1. Make sure that all coaches are aware of and understand the Playing Regulations and the Code of Ethics of the Association.
2. Promote the practice of good sportsmanship by the coaches and athletes.
3. Set policies for coaches, athletes and spectators that project the image of sportsmanship and act as a model for high school athletics.
4. See that adequate measures are taken to handle crowds at home games.
5. Discuss with the principal, the supervision requirements for community facilities when the school sends large numbers of spectators.

COACHES:

The coach is the central figure in the sportsmanship pattern of interschool athletics. In order for good sportsmanship to be the guiding principle in athletics the coach must know what good sportsmanship is and teach it to all.

The coach should:

1. Display good sportsmanship.
2. Maintain poise and self control.
3. Teach athletes to play fairly.
4. Be in control of athletes at all times.
5. Treat visiting teams and spectators as guests.
6. Recognize that to win is desirable, but to win at any cost defeats the purpose of the game.
7. Accept decisions of officials no matter how unfair they may seem, without outward appearance of vexation.
8. Ensure that athletes are familiar with the rules of their sport.

CODE OF ETHICS FOR INTERSCHOOL ATHLETICS

TEAM CAPTAINS

The team captain should:

1. Be an example to their teammates.
2. Greet the opposing captain.
3. Demonstrate a respect for the officials - treat them as guests. Any questions regarding decisions should be asked during a time out in a quiet and respectful manner and only for the purpose of clarifying a ruling so that it may be conveyed to teammates and coach.
4. Not permit teammates to enter into arguments with opponents, officials or spectators.
5. Report game results according to the Result Reporting Procedures.

PLAYERS (ATHLETES)

An athlete should:

1. Be fair at all times, no matter what the cost.
2. Display good sportsmanship at all times both on and off the field.
3. Accept the decisions of the officials without outward appearance of vexation.
4. Control his/her temper at all times on the playing field or court.
5. Trust in the honesty of opponents.
6. Be familiar with the rules of his/her sport and accept the spirit or intent.
7. Conduct himself/herself with honour and dignity.
8. Be gracious in victory or defeat.
9. Recognize that desirable conduct in athletic contests is similar to that in other phases of life.

OFFICIALS:

Well-trained and competent officials are important to the success of an athletic program. Their influence on crowd and players is of great importance.

An official should:

1. Execute his/her role in an unassuming manner as possible.
2. Know the technical rules of the sport as well as the association regulations that apply to game.
3. Communicate with the team captain as required.
4. Maintain poise, dignity and sense of humour.
5. Submit a written report for each major misconduct.
6. Penalize unsportsmanlike behaviour immediately.

CODE OF ETHICS FOR INTERSCHOOL ATHLETICS (con't)

CHEERLEADERS

A cheerleader should:

1. Act as a representative of the student body at athletic contests and realize that he/she is in a position to control the reactions of the crowd.
2. Be selective about choosing new members for the squad.
3. Give visiting squad right of way when both squads attempt to cheer.
4. Be desirable guests at "away" games.

SPECTATORS:

Spectators play a very important role with respect to school sportsmanship. Their habits and reactions quite largely a willingness on the part of the spectators to share responsibility with others for establishing and maintaining good school sportsmanship.

A spectator should:

1. Consider the visiting team, fans and officials as guests and treat them as such.
2. Respect the authority and judgement of the coach.
3. Respect the property of the school and the authority of school officials.
4. Support the cheerleaders.
5. Accept the officials' decisions as final.
6. Show self-control at all times during and after the games.

SPORTSMANSHIP:

Conduct involving:

1. Honest rivalry
2. Courteous relations
3. Graceful acceptance of the results.

C. COMPETITION RULES AND PLAYING REGULATIONS

Department Heads and coaches should engender respect for the rules and policies under which interschool athletics is conducted. If it is felt that Competition Rules or Playing Rules are not realistic or viable, then the changes should be discussed and approved by the respective Sport Committee. Changes relating to the technical and operational aspects of the sport will then be included in the Playing Regulations for the following year.

Changes relating to any aspect of the Constitution must be approved by the Association.

1. Playing regulations can be changed by majority vote of coaches at post-season sport committee meetings.
2. Changes to Constitution at Annual meeting.

ADDITIONAL GUIDELINES

1. **DUPLICATION:**
 - (a) Team sports - students playing for community/club teams can play for the school team only during the regular season with some exceptions such as provincial games, representative teams, etc.
 - (b) Individual sports - a student would be allowed to participate as a school and community club competitor.
 - (c) As a rule students should not be permitted to participate on two school teams at one time; however, on the occasions when it is determined that this situation is not detrimental to the student's academic standing, and with the express permission of the parents and coaches, then it may occur.
2. **SCHEDULING:**
 - (a) Dates for the start of organized practice at the beginning of the season should be established for each sport.
3. **OFFICIALS:**
 - (a) The officials organizations should be invited to send a representative to all sport committee meetings.
 - (b) As a condition of entry into association leagues, each team shall arrange for an official to do a rules workshop with the players prior to the start of the season.
4. **NON-TEACHER COACHES:**

Schools are recommended to consider the following procedures and adopt policies regarding the services of a non-teacher coach as is relevant to their school situation:

 - (a) Applicant undergoes an orientation session with the school Program Leader and Principal which:
 - highlights SDSSAA Coaching and Athlete Code of Ethics;
 - reviews coaching philosophy of school;
 - outlines school policies with respect to academic eligibility;
 - details SDSSAA Transfer and Eligibility Policies and Procedures;
 - reviews school disciplinary policies;
 - reviews SDSSAA ejection protocol for both coaches and athletes;
 - confirms Board policies with respect to supervision, safety and travel;
 - reviews use of keys and equipment;
 - reviews scheduling and practice times.
 - (b) Applicant supplies two letters of reference.
 - (c) Applicant agrees to attend a pre-season and post-season coaches' meeting of school and association coaches.
 - (d) Applicant has completed or will agree to seek Level I theory and technical of National Coaches Certification Program.

ADDITIONAL GUIDELINES

4. NON-TEACHER COACHES - continued

- (e) Applicant agrees to have a criminal record check done by the school.
- (f) Applicant agrees to a process for monitoring of his/her coaching activities - seasonal review.
- (g) Applicant agrees to process for resolving issues along with appropriate disciplinary actions by school.
- (h) Applicant agrees to a specific contract of coaching which is signed by both parties.
- (i) If No Coach Available

When a competent, qualified coach is not available for a team or activity, the school must withdraw from competition, at least temporarily. Students, parents and administrators should be educated regarding the voluntary nature of coaching. There presently exists a pressure to continue a program even when the person assuming responsibility has very little experience and training for the job.

There are sources of competent coaching personnel in the community:

- i) Laurentian University P.E. Students.
- ii) Cambrian College Students.
- iii) Local sport governing bodies.
- iv) Parents.

5. RECOGNITION AND COMPENSATION OF COACHES

Since coaches volunteer their time and services for the benefit of students in the after-school program, they should be supported and remunerated in as many ways as possible. The following are some of the ways administrators and departments could make it happen:

- i) Provide mileage for use of personal vehicle.
- ii) Cover the cost of necessary expenses for meetings and other scheduled events.
- iii) Provide some school time for workshops and certification courses.
- iv) Fund attendance of the Annual Coaches Golf Tournament.
- v) Fund attendance at athletic banquets, coaches breakfast meetings, etc.
- vi) Provision of an item(s) of clothing necessary for coaching his/her specific sport.
- vii) Ensure that coaches receive recognition for services provided.
- viii) Reduction of teacher workload. When possible, teacher supervision of cafeteria, examinations, etc. could be reduced.

6. COACHING BY PROGRAM LEADERS

The department heads first priority must be to provide a broad based organized and effective program. When time permits, the department head should consider coaching a sport or assuming some other responsibility for intramurals or convenership of a sport.

SPECTATOR CONDUCT AND SUPERVISION

7. CERTIFICATION

Programs will be made available and funded by the Board. All coaches should be encouraged to attend these certification courses.

New coaches without a physical education background and with no coaching experience in the sport should be required to have minimum qualifications of Level I - Theory and Technical.

8. OUT OF TOWN AND OVERNIGHT TRIPS

Each school should have written guidelines and procedures including an information letter to parents indicating what, who, when and how as well as requesting parental permission.

The principal, in cooperation with his physical education department head, has the final responsibility for students and teacher/coach conduct at athletic games and contests.

Since the coach and player behaviour on the sidelines influences, to a significant extent, the behaviour of spectators, it is extremely important, therefore, that the example of coach and player be exemplary at all times.

The following areas require specific attention if student spectators are to benefit from their participation at athletic events:

- i) In-school education re spectator behaviour.
- ii) Responsibility for spectators at athletic events.
- iii) Inappropriate conduct.
- iv) Security personnel - responsibilities.

A. SPECTATOR BEHAVIOUR - A SCHOOL RESPONSIBILITY

This Association strongly recommends that each school organize an annual meeting in September to review and implement Association and school objectives for athletics.

Steering Committee Members:

1. Principal
2. Physical Education Department Heads
3. Coaches' representative

Meeting Participants:

1. Steering Committee
2. Coaches
3. Team representative (one from each team if possible)
4. Athletic Association representative(s)
5. Student Council representative(s)
6. Cheerleader representative

Items for discussion:

1. Code of ethics for school, team, coach, player and spectator
2. Program funding
3. Responsibilities of each group or individual
4. Method of implementing a school spectator education program
5. Procedure for handling inappropriate behaviour
6. Use of student monitors or ushers
7. Sharing of school facilities (school and community use)

B. RESPONSIBILITY FOR SPECTATORS AT ATHLETIC EVENTS

i) Activities Hosted On School Premises:

The school is responsible for the proper conduct and supervision of the event. Ordinarily there are only small numbers of spectators in attendance, however, competition between certain schools and play-off fever usually generate increased spectator participation.

These situations must be anticipated and the necessary precautions implemented. Coaches and/or the department head should discuss the implications of these events with the principal.

ii) Activities Hosted at Community Facilities (football and hockey ordinarily):

The coordinator, convener and Athletic association executive have the responsibility for ensuring that security personnel or police are on duty.

When large numbers of students from your school are likely to attend an off-campus event, a responsible school representative should also be in attendance. Again, the coach and/or the department head should inform and discuss such situations with the principal so that adequate supervision arrangements can be made.

C. INAPPROPRIATE CONDUCT

In the event that a student(s) exhibit inappropriate behaviour the following steps should be followed:

- i) Ask student to conform to acceptable rules of conduct.
- ii) For continued infraction of rules, evict student from facility. Responsibility for eviction would probably occur in the order listed below:
 1. Security or police
 2. Convener
 3. Teacher supervisor
 4. Coach
 5. Ushers or monitorsIf in doubt, summon the police.
- iii) Notify the principal of the evicted student.

D. SECURITY PERSONNEL - JOB DESCRIPTION

- i) Regulate entrance traffic.
- ii) Patrol facility (especially washrooms and fire doors).
- iii) Protect rights of spectators.
- iv) Prohibit:
 - 1. use of noise makers.
 - 2. profane language.
 - 3. drinking.
 - 4. abusive language.
- v) Evict individuals for failure to abide by rules of good conduct. Also when reported by monitors, teachers, coach or official.

POLICY AND PROCEDURE REGARDING THE HANDLING OF BODY FLUID SPILLS

The following protocol will be utilized to deal with blood or other body fluid spills at school-hosted gym events:

- #1 - stop play - seek custodian to deal with the issue,
- #2 - if a custodian is not accessible, a school-approved spill kit should be made available to deal with the issue

Play would resume when the attending officials and the coaches from both teams are satisfied that the spill has been satisfactorily cleaned. The home team is responsible to deal with the spill.

Emergency Response Kit Contents:

MATERIAL: dust pan, scraper, disposable gloves, paper towels, absorbent towels, plastic bags, mask, protective eye wear, PerCept RTU, Super spill pick up or cat litter.

MATÉRIEL: porte-poussière, grattoir, gants jetables, des essuie-tout, serviettes, sacs de plastique, masque, lunettes protectrices, PerCept RTU, "Super spill pick up" ou litière pour chat.

Emergency Response Kit Procedures:

1. Use disposable gloves/Utilisez des gants jetables.
2. Sprinkle Super spill pick up or cat litter over the spill area to absorb the liquid for safer handling. It may only be needed with larger spills.

Appliquez le produit "Super spill pick up" ou de la litière pour chat afin d'absorber le liquide. Il est à noter que cette étape est nécessaire seulement s'il s'agit d'une grande quantité de liquide.

3. Place the dust pan inside a plastic bag. Use the scraper to scrape the spilled material onto the plastic bag covering the dust pan. Then, close the plastic bag over the scrapings by turning the bag inside out and slide the dust pan out of the bag.

Placez le porte-poussière à l'intérieur d'un sac de plastique afin de pousser les liquides organiques dans le sac qui recouvre le porte-poussière. Ensuite, retirez le porte-poussière et renversez le sac de façon à capter les liquides organiques à l'intérieur du sac.

4. Remove excess fluid with paper towels.
Éliminez la plus grande quantité de liquide possible à l'aide d'essuie-tout.

POLICY AND PROCEDURE REGARDING THE HANDLING OF BODY FLUID SPILLS (cont'd)

Désinfection: Appliquez "PerCept RTU" sur la surface; laissez agir 5 minutes à la température de la pièce. Rincez et ensuite essuyez la surface.

Emergency Response Kit Procedures (continued):

7. Disinfect with PerCept RTU for 5 minutes, scraper, dust pan and all other reusable material that came in contact with the fluid. Rinse and Wipe dry.

Désinfectez le grattoir, le porte-poussière et tous les autres matériaux réutilisables qui ont touché le liquide organique. Rincez les matériaux réutilisables et essuyez.
8. Place all disposable contaminated materials (including gloves) in the plastic bag.
Placez tous les matériaux contaminés (y compris les gants) dans le sac de plastique.
9. Double bag the contaminated materials and dispose of bag in the garbage.

S.D.S.S.A.A./O.F.S.A.A. TRANSFER POLICY PROCEDURES

1. TRANSFER POLICY

All transfer students are ineligible for S.D.S.S.A.A. competition until approved by the S.D.S.S.A.A. Transfer Committee. Refer to item 5 below (Approval Procedure). The six categories under which a student may be ruled eligible for competition are listed in Part C of the Transfer Appeal Form.

2. STUDENT RESPONSIBILITY

All students transferring to another school must complete Parts A, B and C of the attached S.D.S.S.A.A./O.F.S.A.A. Transfer Appeal Form. It is strongly recommended that this be completed prior to leaving the school. The student must take the form to the Principal and the Co-Curricular Physical Education program leader so that they can sign and complete Part D. Students who do not complete this form prior to transferring may jeopardize their athletic eligibility at the new school.

3. PROCEDURES - OUTGOING SCHOOL

3.1 The outgoing principal or the principal's delegate and co-curricular department head are requested to sign Part D of the form and to indicate their acceptance or non-acceptance of the rationale for transfer. If the rationale is not accepted, the reason(s) should be entered in the comments section or attached to the form.

Principals are requested to confirm:

- 1) That the change of residence is permanent (if applicable).
- 2) That category 'd' requests are correct.

Co-Curricular program leaders are requested to confirm:

- 1) The sports played during the 12 months prior to transfer.
- 2) That the school or coach has no reason to object to this student competing next season.

3.2 A copy of the completed form should be retained in the physical education office for one year.

3.3 If completed prior to departure from former school, the form should be attached to the official school transfer forms that the student presents to the Principal of the new school.

4. PROCEDURES - RECEIVING SCHOOL

4.1 When the principal or the principal's delegate of the moving school signs the form, he/she will be confirming that the rationale relating to a change of course/program or change of permanent residence is correct.

4.2 The Appeal Form should then be submitted to the co-curricular program leader.

4.3 The Co-Curricular program leader will submit all requests for transfer eligibility to the Athletic Administrator by the end of the second week of school in September or upon receipt of the appeal form when the student transfers during the year.

5. APPROVAL PROCEDURE

5.1 The Athletic Administrator will review and approve, if appropriate, the category 'a', 'b', 'c' and 'd' (i) requests, as well as requests for eligibility in sports that do not advance to N.O.S.S.A./O.F.S.A.A.

5.2 The Transfer Committee will review and approve, if appropriate, category 'd' (ii), (iii) or (iv) requests that have outgoing principal and program leader approval and meet the conditions established by O.F.S.A.A. and the local transfer committee. These reviews will be scheduled to coincide with O.F.S.A.A. hearing dates.

5.3 All other requests will be handled by the committee at one of three scheduled meetings. These dates will be approved at the June Association meeting.

5.4 The documents listed on the next page will be required to support transfer applications that: (i) do not receive outgoing school support, or, (ii) fall under category 'd' (ii), (iii) or (iv). A hearing may be called to review documentation if deemed necessary. The student requesting eligibility may be required to attend this meeting and may be accompanied by his program leader, coach or parent if deemed necessary.

5.5 After a decision has been rendered by the SDSSAA transfer committee, the Athletic Administrator will fax it to the program leader by the day after receiving the request or the day after the meeting.

5.6 The program leaders from both schools involved with the transfer have the right to be present at a transfer appeals so that all perspectives may be considered.

TRANSFER APPEAL FORM (cont'd from page 1)

5. APPROVAL PROCEDURE (cont'd)

- 5.7 Requests to sign outgoing transfer application forms, where applicable, should be honoured within three school days of receipt. If after this time, the signed forms have not been received by the incoming school, they may request that the Athletic Administrator or the SDSSAA transfer committee chairperson intercede on their behalf. If the reasons provided for the delay are not germane to the category of transfer selected, then the athletic administrator may process it without delay in accordance with transfer committee guidelines.

S.D.S.S.A.A./O.F.S.A.A. TRANSFER APPEAL FORM

PART C - APPEAL BASED ON (Please check the correct box)

Before determining the section of the Transfer Policy under which your appeal will be made, read the entire Policy, {pages 23-24 of the S.D.S.S.A.A. Handbook} carefully so as to ensure that you are appealing under the appropriate section and that you are able to provide the documentation and information required. Every student who has been registered from another school within the previous twelve (12) months is ineligible for SDSSAA-sanctioned events, unless he/she appeals and is deemed eligible by the SDSSAA transfer appeal committee under one of the four following sections:

- ☐ (a) (i) there has been an accompanying change in permanent residence by the student and his/her immediate family to the designated school from any system (public, catholic or independent) according to school boundaries (or is the closest school in the student's choice of school system to the student's home if no school boundaries exist). Immediate family is the parent(s) or the student's legal guardian as determined by a court of competent jurisdiction. The student and his/her immediate family must completely and permanently move from the former residence. On appeal, the student must provide evidence/documentation confirming that they are residing in a new permanent residence, and evidence/documentation that they have completely and permanently moved from the former residence. See Note 8.
- ☐ (ii) Students transferring to an Ontario school from outside Canada or the United States and is attending the designated school in their choice of system (public, catholic or independent) according to school board boundaries (or is attending the closest school in the student's choice of system to the student's home if no school boundaries exist).
- ☐ (iii) A student attending a school as a result of the closure of his/her former school and is attending the school designated by the School Board.
- ☐ (b) (i) the student did not participate in any sports at the interschool level for twelve months prior to the date of transfer. Written confirmation from the Vice-Principal, Principal, Department Head, or Athletic Director of the school is required.
OR
- ☐ (ii) the student accepts his/her ineligibility under the Transfer Policy, but requests eligibility for the sports he/she did not participate in at the interschool level for the twelve months prior to the date of transfer. Written confirmation from the Vice-Principal, Principal, Department Head, or Athletic Director of the school is required.
- ☐ (c) (i) the student has been placed in a school by an I.P.R.C. (Identification, Placement and Review Committee) decision. The Association's transfer appeal committee shall require and receive a letter from the Principal of the school from which the student has transferred, stating the reason for the placement of the student by I.P.R.C.
- ☐ (ii) the student has transferred from an independent school to a public or catholic schools as a result of an educational exceptionality which the independent school was unsuccessful in accommodating. In such cases, the student was unable to access the I.P.R.C. process (Identification, Placement and Review Committee). The appeal must be accompanied by the following information: a psycho educational assessment diagnosing an educational exceptionality, documentation from the independent school demonstrating the strategies used to attempt to accommodate the educational exceptionality; and documentation from the receiving school confirming additional and/or new methods being provided to accommodate the educational exceptionality, which were not being provided at the sending school.
- ☐ (d) the student:
 - ☐ (i) has transferred prior to their grade 10 year for exceptional personal, social or academic reasons. On appeal, documentation detailing these exceptional reasons must be provided.
 - ☐ (ii) has changed residence to live with a custodial parent, or to live with a new, court-appointed legal guardian for exceptional personal reasons. Documentation showing that there was just cause for the move must accompany the appeal. See Note 8 regarding proof of residence.

 - ☐ (v) the student was the victim of bullying and after attempts to resolve the issue, the sending school agreed that it was in the best interests of the student to transfer schools. On appeal, the application must be accompanied by the following information: documentation from the sending school's administration or the police, confirming the seriousness and frequency of the bullying, including a description of the incidents and dates; documentation from the sending school's administration describing the strategies put in place to resolve the bullying and the reasons the strategies did not succeed; and a letter from the sending school's administration in support of the transfer.

S.D.S.S.A.A./O.F.S.A.A. TRANSFER APPEAL FORM

Notwithstanding any of the information on the previous page, no student may participate in the same sport for more than one school in the same League or municipality in the same school year unless the student is ruled eligible by the Association's transfer appeal committee under subsection (a) of the transfer policy. Participate means competing in exhibition games and invitational tournaments/events, not just league play.

Notes:

1. Once a student has changed schools he/she is considered a transfer student and even if he/she returns to a school, he/she must comply with the Transfer Policy.
2. The word "participate" in section (b) of the Transfer Policy means competing for your school in that activity. This includes exhibition games and invitational tournaments/events, not just league play.
3. The SDSSAA Transfer Committee will not consider as reasons for transfer:
 - (i) the relative ranking of schools or the differences in delivery of courses with the same Ministry course codes;
 - (ii) that a sport or team is no longer offered at the previous school.
4. Students moving from a school in a strike/lock-out area are ineligible for all sports played in the previous 12 months from their date of entry into the new school.
5. Out of province and out of country exchange students are not considered transfer students and are eligible for all sports.
6. Students transferring from other provinces, states or countries who have graduated from high school or equivalent, are ineligible for SDSSAA competition. This does not apply to students who have graduated in the previous school year from secondary school in Quebec, providing they meet one of the criteria for eligibility in sections (a) to (d) of the transfer policy.
7. Students applying under section (d), must attend the next closest school (of their choice of school system) to their home residence.
8. On appeal under 'a' (i), the student will provide evidence/documentation confirming he/she and their immediate family are residing in a new permanent residence and that they have completely and permanently moved from the former residence. When applying under section 'd' (ii) of the policy, the student must provide evidence/documentation confirming that they are residing in a new permanent residence.

In both cases, such evidence/documentation may include:

- telephone and utility service operative at the new residence;
- telephone and utility service disconnected at the former residence;
- vehicle registration listing the new residence;
- real estate documents indicating and verifying a change of residence (e.g., sale and purchase);
- parents/court-appointed guardians' property tax bill listing the new residence;
- insurance slip for home and auto insurance;
- school documentation showing that sibling(s) attend local elementary school and/or the same high school as the transferring student;
- any other documentation that is requested which establishes the student and his/her immediate family is living at the new residence.

Production of evidence/documentation described above does not guarantee eligibility.

HISTORY OF THE NICKEL DISTRICT SECONDARY SCHOOL ATHLETIC ASSOCIATION

In the early 1930's there was no need for a District Constitution. J.D. Wallace was Principal of the Sudbury High and Mining and Technical Schools. There was one combined Physical Education Department and the nearest competition was North Bay. Life was simple.

L.E.R. Stephens became Principal of the Mining and Technical School in 1934. Physical Education continued jointly with the High School under Ed Wiley in their 'match-box' gymnasium: Bob McDorinan taught some of Tech's classes and Redmond Kinschular was active in coaching the combined football team. Competition was extended to include Sault Ste. Marie. Life was still very simple.

In 1937, the Technical School broke away and formed its own department under Wilf Bell and Ellis Hazen. The same year Copper Cliff High School was built and their teams played exhibition games with the two city schools.

In 1938 to 1939, Capreol entered to play hockey. There were no problems: a telephone call now and then arranged schedules and play-offs.

The first interscholastic competition was in football: High 32, Tech 3: High 36 Tech 5: a sudden death playoff in six inches of mud resulted in a close score, Tech 7, High 6. The Technical School dressing room was a hut built by Mr. Irvine's boys in the wood-working shop. It had no heat, no lights, no toilets, no showers. High School, gracious in defeat, offered their 2-nozzle shower room to the Tech boys to wash off the mud.

As competition against High School stiffened with the development of teams in Copper Cliff and Tech, it was inevitable that disputes would arise. Service Clubs were approached with the prospect of acting as Boards of Reference or arbitrators. Finally the three schools decided to organize an association to settle arguments among themselves.

Joe Costigan of Sudbury High called the first meeting in the fall of 1939 and this was attended by Bill Harrington and Ellis Hazen. Bill was elected President, Joe - Vice-President, and Ellis - Secretary-Treasurer with no bank account.

Thus the Nickel District Secondary School Athletic Association was born.

The building of the Tech Gymnasium in 1940, now today as the 'C' Gym, coincided with the arrival of Alex MacPherson. Activity increased, meetings were longer, there was more to talk about as Alex poured out ideas from T.S.S.A. and T.D.I.A. The size of the football teams jumped from 6-man to 9-man. Zone defence in basketball became so deadly in High's 'match-box' gymnasium, it was almost outlawed by the Association.

HISTORY OF THE NICKEL DISTRICT SECONDARY SCHOOL ATHLETIC ASSOCIATION (cont'd)

The first Interscholastic Skiing was between Copper Cliff and Tech in 1940. Tech's team ran Slalom in cross-country skiis. The championship was decided in the 15 and under class. Copper Cliff won. Next year it was decided in the 16 year class: Copper Cliff won again.

The third year Copper Cliff won again. One of the first notices of motion to the Association was announced: the championship will be decided by adding the scores of all age groups. This seemed to be the only way to stop the Cliff foursome of Ripley, Kerr, Coe and Morrow.

Bert McClelland's arrival in Copper Cliff heralded the domination of the school hockey league by the INCO 00 n. Bert's early and repeated successes in this sport were later to earn his school the exclusive right to be the only school from the outside district permitted to play in the new Sudbury league.

War years!!!

The Association carried on undaunted by gasoline rationing which prevented outside travelling, shortage of sugar for energy, and poor quality gym shoes of artificial rubber which blackened the floors. Many players cooked their supper when they arrived home from practice: mother was on afternoon shift at the smelter. Men on the staffs with Physical Education certificates thirty years old filled the breach while the coaches were in the Armed Forces.

The post war years brought keen competition as teams fought for the right to enter N.O.S.S.A. play-offs and the Red Feather. The organization of O.F.S.A.A. tournaments from 1948, further stimulated athletic activity.

In 1945 the Kiwanis Club offered financial assistance to the Association for Track and Field. Sacred Heart College dominated this sport in the next few years. Track stars were sent to Canadian Championships. Some reached the Olympics.

The post-war baby boom finally caught up with the association. By the mid 1950's, provision was made for the entries of Lively, Nickel District and St. Charles. They were soon followed by Lockerby, Lasalle, Lo-Ellen and Garson-Falconbridge. Espanola's conversion from a prisoner-of-war camp to a thriving pulp town, Levack's becoming a district school, new sub-divisions growing in Chelmsford and Blezard-Hamner, increased the Association to 15 schools.

The pressure of extended schedules and play-offs forced the association to divide. With 15 conveners and 150 coaches making reports and recommendations, the meetings were becoming unwieldy.

HISTORY OF THE NICKEL DISTRICT SECONDARY SCHOOL ATHLETIC ASSOCIATION (cont'd)

In May of 1967, the N.O.S.S.A. recognized the City of Sudbury and Nickel District as separate district. The same year, the Sudbury High School Board appointed Alex MacPherson, Physical Education Coordinator for seven of the nine schools in the Sudbury System.

In January 1969, the Sudbury Board of Education was formed and this includes all schools formerly in N.D.S.A.A. and the S.S.S.A.A., so now we are one happy family again looking to the future.

POLICIES AND
PROCEDURES**

PURPOSE:

- a. To reduce and eliminate, wherever possible, the incidence and frequency of major and misconduct penalties in the senior high school league.
- b. To insure that the league can be played in as safe an environment as possible for all players.
- c. To insure that the educational objectives of participation in the high school hockey program are met.

**DISCIPLINE
POLICIES AND
PROCEDURES
(cont'd)****HOCKEY (cont'd)****PLAYERS:**

The following will apply effective September 2010:

- a. Accumulation of three (3) M-22 misconduct penalties will result in a one game suspension, after that, an additional two will result in an additional game suspension, after that an additional one will result in a SDSSAA board of reference hearing
- b. Accumulation of two (2) M-20 or M-21 misconduct penalties will result in a one game suspension, a third offence will result in suspension until such time as a SDSSAA board of reference hearing is hosted.
- c. In addition to the above, an accumulation of three (3) misconducts, with the exception of M-14, M-34 and M-35, will result in an additional game suspension.

These guidelines will be reviewed and revised as necessary. Immediately after receipt of a report regarding a player's unsportsmanlike behavior which makes him eligible for a board of reference hearing, the program leader of the school and/or the coach will be advised of the arrangements for a hearing. In all cases, it is the responsibility of the coach and player to attend. Every effort however, will be made to consider the team's practice and game schedules in these situations.

COACHES:

Based on the nature of the offences, a head coach will be called to a board of reference hearing when the team has accumulated eight (8) misconducts or game misconducts.

Hockey board of reference hearings will be called for any coach who is deemed to be the cause of a game being discontinued, or any coach who is ejected or suspended from a game. Coaches will also be required to attend board of reference hearings for their players unless otherwise notified.

Should a team collect forty (40) penalty minutes in a game, the head coach will be suspended for the next game. Should this occur a second time, the head coach will be suspended for the following two (2) games. On the third occasion, the head coach will be called to a Board of Reference (major penalties are included, game ejections count for ten minutes towards the total).

SERVING SUSPENSIONS:

Tournament or Exhibition games will count towards the serving of suspensions incurred during league play, providing the game was scheduled prior to the date of the offence (if the suspension was incurred near the end of season 1, games scheduled in the pre-season of schedule 2 will count towards the suspension). Similarly, suspensions incurred during Tournament or Exhibition games are to be in affect for regular season play. These suspensions are to be served concurrently; in other words, they must be served in the games immediately following the date of the incident.

CODED INFRACTIONS LEADING TO INJURY:

Should a player incur a coded infraction which leads to an injury, the offender will be required to serve one (1) game (in addition to the code as per the hockey suspension list) for every two (2) games that the injured player misses as the result of the injury sustained by the infraction. In addition, every such incident will be reviewed by the committee.

In virtually all cases, the player's or coach's minimum suspension will be that associated with the hockey suspension list. The board of reference will ultimately decide, based on the facts presented at the hearing, whether or not more games will be added. All decisions rendered from a board of reference hearing will be faxed the next school day to all coaches in the league.

PENALTIES/DISCIPLINE:**FIGHTING:**

In the case of fighting, the following minimum suspensions will be levied:

FIRST OFFENSE - In accordance with the hockey suspension list (last ten minutes extra game suspension may apply)

All suspensions incurred in community league play are to be served in the high school league on a 1-1 basis but extra games that outside leagues may add from time-to-time are not to be added at the high school level as well.

RESPONSIBILITIES OF OFFICIALS:

The responsibilities of officials, as stated in the Sudbury District Hockey Officials' Association's contract with S.D.S.S.A.A. are the following:

GIRLS' HOCKEY (cont'd)**PLAY-OFFS (cont'd)**

Tie breaking games will be played at the site of the highest placed seed. Should that site be unavailable, not meet sport governing body specifications or not be able to accommodate spectators, then the game will be played at the site of the lower seed. Should either of these locations be unavailable, then the higher seeded team shall select a site. If the higher seed is unable to access a site, the convener shall secure a neutral site. For scheduling, the convener(s) shall leave at least two days for tiebreakers at the end of the schedule before the playoffs.

In ties involving three or more teams, teams will be seeded using the criteria above, and a minimum number of games will be scheduled to decide the issue. Match-ups will be scheduled considering standard playoff formats (ie. if four teams: 4th vs 1st, 3rd vs 2nd, if three teams: 1st receives bye, 3rd plays second, etc)

All tie breaking games are designated as playoff games.

**PLAY-OFF

The overtime period shall be played with each team at a numerical strength of three (3) skaters and one (1) goalkeeper. In the event that one team is serving a penalty at the end of regulation time, it shall be four-on-three until the first whistle after the penalty has expired. At the expiration of the penalty the penalized player shall return to the ice and the teams shall play four-on-four until the first whistle at which time the teams shall revert to three-on-three.

If the game remains tied at the end of the five (5) minute overtime period, the teams will proceed to a simultaneous shootout. The teams will not change ends for the shootout. Three (3) players from each team shall participate in the shootout and they shall proceed as follows: All players are eligible to participate in the shootout unless they are serving a ten-minute misconduct or have been assessed a game misconduct or match penalty. Each team will be given three shots, unless the outcome is determined earlier in the shootout.

SCHEDULING

1. Junior and senior teams from one school are in the same division.
2. Schools shall declare whether they will have both junior and senior teams when asked by the convener.
3. After the teams are declared, the convenor will draw up a tentative schedule (in consultation with the convenor of the boys' basketball schedule and the midget girls' volleyball schedule) to be approved by the coaches at the pre-season meeting. After the pre-season meeting this final schedule will be given to the program leaders and principals by the coaches.
4. Teams will be seeded according to league results. The top 10 teams will make up tier one and the other teams will make up tier two. If a team does not have a senior team, that team will notify the convenor of the tier in which they wish to participate.
5. Seeding of teams for the following season shall be done as follows: the champion and finalist team from tier two will replace the bottom two teams from tier one. The bottom two teams from tier one will then go to tier two. All other teams remain in the same tier. (Remember that the juniors follow the seniors). Irrespective of this or any other regulation, Division I will be maintained at ten entries.

If teams are tied for a relegated position for Division II, a tie breaker match will be played at the school that did not have court advantage during the regular season.
