**RULES OF ORDER
(ADAPTED FROM OSSTF RULES OF ORDER)**

The responsibility for conducting meetings lies with the Chief Executive Officer, or the person designated by the Chief Executive Officer to chair the meeting or selected by the jurisdiction in accordance with its Constitution and By-laws.

ROLE OF THE PRESIDING OFFICER

- (A) The Presiding Officer calls the meeting to order at the appointed time.
- (B) The Presiding Officer announces the business which should come before the assembly in its proper order usually in the form of a printed agenda.
- (C) The Presiding Officer assigns the floor to members who desire to speak. Once the Presiding Officer has recognized the right of a member to the floor, it is the duty of the Presiding Officer to protect the speaker from disturbance or interference. On the other hand, the Presiding Officer must never hesitate, when the interest of the organization or its members requires, to permit a speaker to be interrupted, or to limit the number of speakers to a motion.
- (D) The Presiding Officer reads all motions that have been correctly moved and seconded. The Presiding Officer may require a restatement, in the best possible form and without changing the intent, of any motion the proposer has failed to submit correctly or clearly.
- (E) The Presiding Officer explains what the effect of a motion would be if it is not clear to every member. The Presiding Officer makes certain that members understand exactly what business is pending.
- (F) The Presiding Officer restricts discussion to the question before the assembly.
- (G) The Presiding Officer is responsible for answering all Parliamentary Inquiries and for deciding Points of Order and Questions of Privilege as soon as they arise.
- (H) The Presiding Officer never debates a motion while presiding.
- (I) When discussion on a question has ceased or has been closed by a motion to that effect, the Presiding Officer is responsible for restating the exact question upon which the assembly is to vote and for putting the question to a vote.
- (J) When necessary, the Presiding Officer decides whether the motion has two or more independent parts that may be voted on separately.
- (K) When necessary, to verify and indicate a vote by show of hands, the Presiding Officer may require voters to rise and be counted.
- (L) The Presiding Officer votes only in case of a tie vote.
- (M) The Presiding Officer states definitely and clearly the result of the vote.
- (N) The Presiding Officer protects the assembly from annoyance by refusing to recognize motions that are frivolous in character or that are made solely for the purpose of blocking business or of consuming time.
- (O) The Presiding Officer may be advised on parliamentary procedures by a Steering Committee which may consist of one or more persons.

RULES OF ORDER (cont'd)

DEBATE

- (A) No debate shall be held on a topic until there is a motion on the floor.
- (B) All main motions and amendments thereto shall be written and presented prior to the vote to the Presiding Officer or to the Resolutions Committee.
- (C) The mover of a motion shall have the privilege of being the first speaker in the debate on the motion, and shall have the further privilege of speaking once more to conclude the debate.
- (D) Members who wish to speak to a motion must first be recognized by the Presiding Officer and should begin by stating whether they support or oppose the motion, are moving an amendment, or have other intentions.
- (E) Members shall not speak more than once to a motion, except as provided in (C) above.
- (F) After a motion or an amendment has been debated, the Presiding Officer calls the question by asking those in favour of the motion to so indicate, followed by those opposed. The Presiding Officer then declares the motion "carried" or "lost". In the case of a tie vote, the Presiding Officer casts the deciding vote.
- (G) A time limit may be set on debate if the assembly so decides.

RULES OF ORDER (cont'd)

AMENDMENTS

(A) A motion may be amended by:

- (1) Insertion or addition,
- (2) Deletion,
- (3) Deletion for insertion,
- (4) Substitution

(B) An amendment must bear such close relationship to the motion that the basic intent of the motion is not changed.

(C) There may be an amendment to the amendment but not more than one such subamendment may be debated at any one time.

(D) The sequence of voting on an amendment motion is as follows:

- (1) the amendment to an amendment (subamendment),
- (2) the amendment,
- (3) the main motion.

INCIDENTAL REQUESTS AND APPEALS

(A) Requests (may interrupt debate; no vote required):

- (1) Question of Privilege – relates to any matter affecting rights and immunities of the assembly collectively, or to the position, reputation and conduct of members in their respective character.
- (2) Points of Order – question to the Presiding Officer regarding a possible breach of Rules of Order.

(B) Parliamentary Inquiry (must be recognized in the order of debaters):

- (1) a question to the Presiding Officer relating to procedure or to the meaning or effect of the impending motion.
- (2) a question to the debater or proposer of the motion about the pending motion.

(C) Appeals (vote required):

- (1) Appeal the decision of the Chair – the challenging member may state his/her reason for objecting to the decision of the Presiding Officer and the Presiding Officer may reply; the vote is on "supporting" or "overruling" the Chair's decision; a simple majority is required.
- (2) Appeal the decision to withdraw a motion – if any member objects to the withdrawal of a motion once it is on the floor, the assembly must vote on a procedural motion to permit the withdrawal; simple majority to carry.

RULES OF ORDER (cont'd)

Conveners must notify all schools of changes in playing dates at least one month in advance. District Secretaries must bring a list of conveners to the Resolutions Meeting for activities for which their district is responsible. If a district is unable to host an activity due to a strike or work to rule, then the convenership of that activity will go to any other district who requests it. Districts have until first Friday of the school year to confirm their participation in NOSSA junior boys football.

POLICIES AND GUIDELINES FOR INTERSCHOOL ATHLETICS

PROGRAM RATIONALE:

This Association recognizes that in the pursuit of athletic excellence there is a definite risk of over-emphasizing the required training element inherent in athletics at the expense of the educational component. There is no disputing that the requirements for physical conditioning and regulated practice by athletic participants is a necessary part of the training function common to any education system. However, mere training to develop mastery of skill is, of itself, insufficient grounds on which to justify the inclusion of athletics in education.

For education implies, at the very least, the development of the student's understanding and appreciation of, not only sport itself, but also, the unique personal experience that comes from participation.

Consequently, the interscholastic programs should exist for the enrichment of the athlete rather than for the athlete existing for the benefit of the programs.

The goals that appear below reflect this fundamental premise.

STATEMENT OF GOALS FOR INTERSCHOOL ATHLETICS

The goals of the interschool competitive sport program are:

1. **To provide a place for all within the limitations of financial and personnel resources:**
 - i) A variety of sports or activities, appropriate to various interests, degrees of physical power, and stages of development, experience and skill, should be provided.
 - ii) There should be adequate equipment and facilities for all.
 - iii) There should be qualified leadership for the entire program.
 - iv) The superior performers should not be exploited in such a way as to detract from the ordinary performer.
2. **To promote physical well being:**
 - i) The rules of healthful living should be taught in connection with activities.
 - ii) No contestant should be permitted or encouraged to sacrifice his or her physical well-being, either in competition or in training.
 - iii) Every precaution to prevent accidental physical injury should be exercised and provision should be made to obtain prompt emergency service in the event of a serious injury at practice or in a game at any time of day or night.
 - iv) Coaches should be models of the exemplary behaviour they espouse to their players.

CODE OF ETHICS FOR INTERSCHOOL ATHLETICS

3. To promote the sound social and emotional development of the participants:
- i) The coach, the individual athlete, and the team should make every legitimate effort to win their games. They should practice with purpose and train with dedication. They should play with intensity and desire according to the rules and ethics of healthy sport competition. They should play to win, but not at all cost. When the contest is over, they should accept the victory or the defeat with natural emotional reactions, but they do not regard losing as "the end of the world." Neither do they gloat over opponents whom they have defeated. Emotional control should be stressed.
 - ii) Recreational values should be maintained. Players should enjoy participating in the practices and in the games. Basically, sports should be fun.
 - iii) Respect for academic and other worthwhile interests should be cultivated. Participation in sports should be scheduled with due consideration to other responsibilities of the participant.
 - iv) The individual should be helped to find satisfaction in socially desirable behaviour and dissatisfaction in poor sportsmanship.
 - v) Respect for and friendliness toward, the opponent should be encouraged!
 - vi) Leadership that sets good examples in habits, attitudes, and conduct should be provided.
 - vii) Material rewards with monetary value shall not be offered for winning or participating.

CODE OF ETHICS FOR INTERSCHOOL ATHLETICS

A. INTRODUCTION

Secondary school athletics must be influenced by values that are basic to a sound educational experience. The secondary school academic area must be solidly established but should also be surrounded by a variety of other experiences in order that students may have the opportunity to develop their potential. Inter-school athletics is one such opportunity. The quality of sportsmanship displayed at school games reflects the contribution that sports can make to the social development of the student.

It is essential that all concerned recognize the responsibility of the department heads and coaches to provide professional leadership in this area of student educational experience.

The following guidelines are offered as a "Code of Ethics" to influence the action and conduct of all who provide leadership or are participants in our program.

B. GUIDELINES

PRINCIPALS: The principal as the administrative head of the school must establish the principles of good sportsmanship in the minds of the entire school and all those who associate with any of the school's activities. The quality of the sportsmanship that is practice or displayed reflects the administrative leadership of the school.

The principal should:

1. Promote the practice of sportsmanship by all members of the school.
2. Keep athletic contests under the official control of school authorities.
3. Be aware of and understand policies and procedures relative to eligibility and abide by these policies.
4. Attend athletic contests and display a vital interest in them.
5. Be sure that parents thoroughly understand what is expected of school athletes.
6. Lend active support and encourage all efforts to discuss sportsmanship, crowd behaviour, code of ethics, etc. with the student body.

CODE OF ETHICS FOR INTERSCHOOL ATHLETICS

PROGRAM LEADERS:

The department head is responsible to the principal for the operation of the interschool athletic program. The general policies related to athletics will be determined to a large degree by the leadership displayed by the department head.

The department head should:

1. Make sure that all coaches are aware of and understand the Playing Regulations and the Code of Ethics of the Association.
2. Promote the practice of good sportsmanship by the coaches and athletes.
3. Set policies for coaches, athletes and spectators that project the image of sportsmanship and act as a model for high school athletics.
4. See that adequate measures are taken to handle crowds at home games.
5. Discuss with the principal, the supervision requirements for community facilities when the school sends large numbers of spectators.

COACHES:

The coach is the central figure in the sportsmanship pattern of interschool athletics. In order for good sportsmanship to be the guiding principle in athletics the coach must know what good sportsmanship is and teach it to all.

The coach should:

1. Display good sportsmanship.
2. Maintain poise and self control.
3. Teach athletes to play fairly.
4. Be in control of athletes at all times.
5. Treat visiting teams and spectators as guests.
6. Recognize that to win is desirable, but to win at any cost defeats the purpose of the game.
7. Accept decisions of officials no matter how unfair they may seem, without outward appearance of vexation.
8. Ensure that athletes are familiar with the rules of their sport.

CODE OF ETHICS FOR INTERSCHOOL ATHLETICS

TEAM CAPTAINS

The team captain should:

1. Be an example to their teammates.
2. Greet the opposing captain.
3. Demonstrate a respect for the officials - treat them as guests. Any questions regarding decisions should be asked during a time out in a quiet and respectful manner and only for the purpose of clarifying a ruling so that it may be conveyed to teammates and coach.
4. Not permit teammates to enter into arguments with opponents, officials or spectators.
5. Report game results according to the Result Reporting Procedures.

PLAYERS (ATHLETES)

An athlete should:

1. Be fair at all times, no matter what the cost.
2. Display good sportsmanship at all times both on and off the field.
3. Accept the decisions of the officials without outward appearance of vexation.
4. Control his/her temper at all times on the playing field or court.
5. Trust in the honesty of opponents.
6. Be familiar with the rules of his/her sport and accept the spirit or intent.
7. Conduct himself/herself with honour and dignity.
8. Be gracious in victory or defeat.
9. Recognize that desirable conduct in athletic contests is similar to that in other phases of life.

OFFICIALS:

Well-trained and competent officials are important to the success of an athletic program. Their influence on crowd and players is of great importance.

An official should:

1. Execute his/her role in an unassuming manner as possible.
2. Know the technical rules of the sport as well as the association regulations that apply to game.
3. Communicate with the team captain as required.
4. Maintain poise, dignity and sense of humour.
5. Submit a written report for each major misconduct.
6. Penalize unsportsmanlike behaviour immediately.

CODE OF ETHICS FOR INTERSCHOOL ATHLETICS (con't)

CHEERLEADERS

A cheerleader should:

1. Act as a representative of the student body at athletic contests and realize that he/she is in a position to control the reactions of the crowd.
2. Be selective about choosing new members for the squad.
3. Give visiting squad right of way when both squads attempt to cheer.
4. Be desirable guests at "away" games.

SPECTATORS:

Spectators play a very important role with respect to school sportsmanship. Their habits and reactions quite largely a willingness on the part of the spectators to share responsibility with others for establishing and maintaining good school sportsmanship.

A spectator should:

1. Consider the visiting team, fans and officials as guests and treat them as such.
2. Respect the authority and judgement of the coach.
3. Respect the property of the school and the authority of school officials.
4. Support the cheerleaders.
5. Accept the officials' decisions as final.
6. Show self-control at all times during and after the games.

SPORTSMANSHIP:

Conduct involving:

1. Honest rivalry
2. Courteous relations
3. Graceful acceptance of the results.

C. COMPETITION RULES AND PLAYING REGULATIONS

Department Heads and coaches should engender respect for the rules and policies under which interschool athletics is conducted. If it is felt that Competition Rules or Playing Rules are not realistic or viable, then the changes should be discussed and approved by the respective Sport Committee. Changes relating to the technical and operational aspects of the sport will then be included in the Playing Regulations for the following year.

Changes relating to any aspect of the Constitution must be approved by the Association.

1. Playing regulations can be changed by majority vote of coaches at post-season sport committee meetings.
2. Changes to Constitution at Annual meeting.

ADDITIONAL GUIDELINES

1. **DUPLICATION:**
 - (a) Team sports - students playing for community/club teams can play for the school team only during the regular season with some exceptions such as provincial games, representative teams, etc.
 - (b) Individual sports - a student would be allowed to participate as a school and community club competitor.
 - (c) As a rule students should not be permitted to participate on two school teams at one time; however, on the occasions when it is determined that this situation is not detrimental to the student's academic standing, and with the express permission of the parents and coaches, then it may occur.
2. **SCHEDULING:**
 - (a) Dates for the start of organized practice at the beginning of the season should be established for each sport.
3. **OFFICIALS:**
 - (a) The officials organizations should be invited to send a representative to all sport committee meetings.
 - (b) As a condition of entry into association leagues, each team shall arrange for an official to do a rules workshop with the players prior to the start of the season.
4. **NON-TEACHER COACHES:**

Schools are recommended to consider the following procedures and adopt policies regarding the services of a non-teacher coach as is relevant to their school situation:

 - (a) Applicant undergoes an orientation session with the school Program Leader and Principal which:
 - highlights SDSSAA Coaching and Athlete Code of Ethics;
 - reviews coaching philosophy of school;
 - outlines school policies with respect to academic eligibility;
 - details SDSSAA Transfer and Eligibility Policies and Procedures;
 - reviews school disciplinary policies;
 - reviews SDSSAA ejection protocol for both coaches and athletes;
 - confirms Board policies with respect to supervision, safety and travel;
 - reviews use of keys and equipment;
 - reviews scheduling and practice times.
 - (b) Applicant supplies two letters of reference.
 - (c) Applicant agrees to attend a pre-season and post-season coaches' meeting of school and association coaches.
 - (d) Applicant has completed or will agree to seek Level I theory and technical of National Coaches Certification Program.

ADDITIONAL GUIDELINES

4. NON-TEACHER COACHES - continued

- (e) Applicant agrees to have a criminal record check done by the school.
- (f) Applicant agrees to a process for monitoring of his/her coaching activities - seasonal review.
- (g) Applicant agrees to process for resolving issues along with appropriate disciplinary actions by school.
- (h) Applicant agrees to a specific contract of coaching which is signed by both parties.
- (i) If No Coach Available

When a competent, qualified coach is not available for a team or activity, the school must withdraw from competition, at least temporarily. Students, parents and administrators should be educated regarding the voluntary nature of coaching. There presently exists a pressure to continue a program even when the person assuming responsibility has very little experience and training for the job.

There are sources of competent coaching personnel in the community:

- i) Laurentian University P.E. Students.
- ii) Cambrian College Students.
- iii) Local sport governing bodies.
- iv) Parents.

5. RECOGNITION AND COMPENSATION OF COACHES

Since coaches volunteer their time and services for the benefit of students in the after-school program, they should be supported and remunerated in as many ways as possible. The following are some of the ways administrators and departments could make it happen:

- i) Provide mileage for use of personal vehicle.
- ii) Cover the cost of necessary expenses for meetings and other scheduled events.
- iii) Provide some school time for workshops and certification courses.
- iv) Fund attendance of the Annual Coaches Golf Tournament.
- v) Fund attendance at athletic banquets, coaches breakfast meetings, etc.
- vi) Provision of an item(s) of clothing necessary for coaching his/her specific sport.
- vii) Ensure that coaches receive recognition for services provided.
- viii) Reduction of teacher workload. When possible, teacher supervision of cafeteria, examinations, etc. could be reduced.

6. COACHING BY PROGRAM LEADERS

The department heads first priority must be to provide a broad based organized and effective program. When time permits, the department head should consider coaching a sport or assuming some other responsibility for intramurals or convenership of a sport.

SPECTATOR CONDUCT AND SUPERVISION

7. CERTIFICATION

Programs will be made available and funded by the Board. All coaches should be encouraged to attend these certification courses.

New coaches without a physical education background and with no coaching experience in the sport should be required to have minimum qualifications of Level I - Theory and Technical.

8. OUT OF TOWN AND OVERNIGHT TRIPS

Each school should have written guidelines and procedures including an information letter to parents indicating what, who, when and how as well as requesting parental permission.

The principal, in cooperation with his physical education department head, has the final responsibility for students and teacher/coach conduct at athletic games and contests.

Since the coach and player behaviour on the sidelines influences, to a significant extent, the behaviour of spectators, it is extremely important, therefore, that the example of coach and player be exemplary at all times.

The following areas require specific attention if student spectators are to benefit from their participation at athletic events:

- i) In-school education re spectator behaviour.
- ii) Responsibility for spectators at athletic events.
- iii) Inappropriate conduct.
- iv) Security personnel - responsibilities.

A. SPECTATOR BEHAVIOUR - A SCHOOL RESPONSIBILITY

This Association strongly recommends that each school organize an annual meeting in September to review and implement Association and school objectives for athletics.

Steering Committee Members:

1. Principal
2. Physical Education Department Heads
3. Coaches' representative

Meeting Participants:

1. Steering Committee
2. Coaches
3. Team representative (one from each team if possible)
4. Athletic Association representative(s)
5. Student Council representative(s)
6. Cheerleader representative

Items for discussion:

1. Code of ethics for school, team, coach, player and spectator
2. Program funding
3. Responsibilities of each group or individual
4. Method of implementing a school spectator education program
5. Procedure for handling inappropriate behaviour
6. Use of student monitors or ushers
7. Sharing of school facilities (school and community use)

B. RESPONSIBILITY FOR SPECTATORS AT ATHLETIC EVENTS

i) Activities Hosted On School Premises:

The school is responsible for the proper conduct and supervision of the event. Ordinarily there are only small numbers of spectators in attendance, however, competition between certain schools and play-off fever usually generate increased spectator participation.

These situations must be anticipated and the necessary precautions implemented. Coaches and/or the department head should discuss the implications of these events with the principal.

ii) Activities Hosted at Community Facilities (football and hockey ordinarily):

The coordinator, convener and Athletic association executive have the responsibility for ensuring that security personnel or police are on duty.

When large numbers of students from your school are likely to attend an off-campus event, a responsible school representative should also be in attendance. Again, the coach and/or the department head should inform and discuss such situations with the principal so that adequate supervision arrangements can be made.

C. INAPPROPRIATE CONDUCT

In the event that a student(s) exhibit inappropriate behaviour the following steps should be followed:

- i) Ask student to conform to acceptable rules of conduct.
- ii) For continued infraction of rules, evict student from facility. Responsibility for eviction would probably occur in the order listed below:
 1. Security or police
 2. Convener
 3. Teacher supervisor
 4. Coach
 5. Ushers or monitorsIf in doubt, summon the police.
- iii) Notify the principal of the evicted student.

D. SECURITY PERSONNEL - JOB DESCRIPTION

- i) Regulate entrance traffic.
- ii) Patrol facility (especially washrooms and fire doors).
- iii) Protect rights of spectators.
- iv) Prohibit:
 - 1. use of noise makers.
 - 2. profane language.
 - 3. drinking.
 - 4. abusive language.
- v) Evict individuals for failure to abide by rules of good conduct. Also when reported by monitors, teachers, coach or official.

POLICY AND PROCEDURE REGARDING THE HANDLING OF BODY FLUID SPILLS

The following protocol will be utilized to deal with blood or other body fluid spills at school-hosted gym events:

- #1 - stop play - seek custodian to deal with the issue,
- #2 - if a custodian is not accessible, a school-approved spill kit should be made available to deal with the issue

Play would resume when the attending officials and the coaches from both teams are satisfied that the spill has been satisfactorily cleaned. The home team is responsible to deal with the spill.

Emergency Response Kit Contents:

MATERIAL: dust pan, scraper, disposable gloves, paper towels, absorbent towels, plastic bags, mask, protective eye wear, PerCept RTU, Super spill pick up or cat litter.

MATÉRIEL: porte-poussière, grattoir, gants jetables, des essuie-tout, serviettes, sacs de plastique, masque, lunettes protectrices, PerCept RTU, "Super spill pick up" ou litière pour chat.

Emergency Response Kit Procedures:

2. Sprinkle Super spill pick up or cat litter over the spill area to absorb the liquid for safer handling. It may only be needed with larger spills.

Appliquez le produit "Super spill pick up" ou de la litière pour chat afin d'absorber le liquide. Il est à noter que cette étape est nécessaire seulement s'il s'agit d'une grande quantité de liquide.

3. Place the dust pan inside a plastic bag. Use the scraper to scrape the spilled material onto the plastic bag covering the dust pan. Then, close the plastic bag over the scrapings by turning the bag inside out and slide the dust pan out of the bag.

Placez le porte-poussière à l'intérieur d'un sac de plastique afin de pousser les liquides organiques dans le sac qui recouvre le porte-poussière. Ensuite, retirez le porte-poussière et renversez le sac de façon à capter les liquides organiques à l'intérieur du sac.

4. Remove excess fluid with paper towels.
Éliminez la plus grande quantité de liquide possible à l'aide d'essuie-tout.

Désinfection: Appliquez "PerCept RTU" sur la surface; laissez agir 5 minutes à la température de la pièce. Rincez et ensuite essuyez la surface.

Emergency Response Kit Procedures (continued):

7. Disinfect with PerCept RTU for 5 minutes, scraper, dust pan and all other reusable material that came in contact with the fluid. Rinse and Wipe dry.

Désinfectez le grattoir, le porte-poussière et tous les autres matériaux réutilisables qui ont touché le liquide organique. Rincez les matériaux réutilisables et essuyez.

SDSSAA GENDER EQUITY POLICY

Gender equity in school sport is the belief and practice that ensures fair access for female student athletes, coaches, officials and administrators to participate, compete and lead. S.D.S.S.A.A./O.F.S.A.A. TRANSFER APPEAL FORM

Notwithstanding any of the above, no student may participate in the same sport for more than one school in the same League or municipality in the same school year unless the student is ruled eligible by SDSSAA's Transfer Committee under subsection (a) of the Transfer Policy. Participate means competing in exhibition games and invitational tournaments/events, not just league play.

Notes:

1. Once a student has changed schools he/she is considered a transfer student and even if he/she returns to a school, he/she must comply with the Transfer Policy.
2. The word "participate" in section (b) of the Transfer Policy means competing for your school in that activity. This includes exhibition games and invitational tournaments/events, not just league play.
3. The SDSSAA Transfer Appeal Committee will not consider as reasons for transfer: (i) The relative ranking of schools or the differences in delivery of courses with the same Ministry course codes; (ii) That a sport or team is no longer offered at the previous school.
4. Students moving from a school in a strike/lock-out area are ineligible for all sports played in the previous 12 months from their date of entry into the new school.
5. Students who attended an alternative school or alternative program who are returning to the school they attended prior to the alternative school or alternative program, are not considered transfer students provided they did not play sports while at the alternative school or alternative program.
6. Out of province exchange students and out of country exchange students are not considered transfer students and are eligible for all sports.
7. Driving distance shall be used to determine the closest school to a student's home residence.
8. Students transferring from other provinces, states or countries are ineligible for SDSSAA/OFSAA competition if they have graduated from high school or equivalent, or if they have used their years of athletic eligibility in the province, state or country from which they are transferring. This does not apply to students who have graduated in the previous school year from secondary school in Quebec, provided they meet one of the criteria for eligibility in sections a – d of the transfer policy.
9. When applying under section (a)(i), the student must provide evidence/documentation confirming that he/she and their immediate family are residing in a new permanent residence and that they have completely and permanently moved from the former residence. When applying under section d(ii) of the policy the student must provide evidence/documentation confirming that they are residing in a new permanent residence. In both cases, such evidence/documentation may include:
 - telephone and utility service operative at the new residence
 - telephone and utility service disconnected at the former residence
 - real estate documents indicating and verifying a change of residence (e.g., sale and purchase);
 - parents'/court-appointed guardians' property tax bill listing the new residence;
 - insurance slip for home and auto insurance;
 - school documentation showing that sibling(s) attend local elementary school and/or the same high school as the transferring student;
 - Any other documentation that is requested which establishes the student and his/her immediate family is living at the new residence.

Production of evidence/documentation described above does not guarantee eligibility.

10. Prep/elite teams fall into two categories: **a school prep/elite team** and a **non-school prep/elite team**. A school prep/elite team is a team that represents the school in competition and/or is under the oversight of the school administration. If a student participates for a school prep/elite team, and then that student transfers schools, he/she may not apply under section b (i), and he/she is considered to have participated in the prep/elite team sport at the interschool level if applying under section b (ii) **or b (iii)**.

HISTORY OF THE NICKEL DISTRICT SECONDARY SCHOOL ATHLETIC ASSOCIATION

In the early 1930's there was no need for a District Constitution. J.D. Wallace was Principal of the Sudbury High and Mining and Technical Schools. There was one combined Physical Education Department and the nearest competition was North Bay. Life was simple.

L.E.R. Stephens became Principal of the Mining and Technical School in 1934. Physical Education continued jointly with the High School under Ed Wiley in their 'match-box' gymnasium: Bob McDorinan taught some of Tech's classes and Redmond Kinschular was active in coaching the combined football team. Competition was extended to include Sault Ste. Marie. Life was still very simple.

In 1937, the Technical School broke away and formed its own department under Wilf Bell and Ellis Hazen. The same year Copper Cliff High School was built and their teams played exhibition games with the two city schools.

In 1938 to 1939, Capreol entered to play hockey. There were no problems: a telephone call now and then arranged schedules and play-offs.

The first interscholastic competition was in football: High 32, Tech 3: High 36 Tech 5: a sudden death playoff in six inches of mud resulted in a close score, Tech 7, High 6. The Technical School dressing room was a hut built by Mr. Irvine's boys in the wood-working shop. It had no heat, no lights, no toilets, no showers. High School, gracious in defeat, offered their 2-nozzle shower room to the Tech boys to wash off the mud.

As competition against High School stiffened with the development of teams in Copper Cliff and Tech, it was 4onevitable that disputes would arise. Service Clubs were approached with the prospect of acting as Boards of Reference or arbitrators. Finally the three schools decided to organize an association to settle arguments among themselves.

Joe Costigan of Sudbury High called the first meeting in the fall of 1939 and this was attended by Bill Harrington and Ellis Hazen. Bill was elected President, Joe - Vice-President, and Ellis - Secretary-Treasurer with no bank account.

Thus the Nickel District Secondary School Athletic Association was bom.

The building of the Tech Gymnasium in 1940, know today as the 'C' Gym, coincided with the arrival of Alex MacPherson. Activity increased, meetings were longer, there was more to talk about as Alex poured out ideas from T.S.S.A. and T.D.I.A. The size of the football teams jumped from 6-man to 9-man. Zone defence in basketball became so deadly in High's 'match-box' gymnasium, it was almost outlawed by the Association.

HISTORY OF THE NICKEL DISTRICT SECONDARY SCHOOL ATHLETIC ASSOCIATION (cont'd)

The first Interscholastic Skiing was between Copper Cliff and Tech in 1940. Tech's team ran Slalom in cross-country skiis. The championship was decided in the 15 and under class. Copper Cliff won. Next year it was decided in the 16 year class: Copper Cliff won again.

The third year Copper Cliff won again. One of the first notices of motion to the Association was announced: the championship will be decided by adding the scores of all age groups. This seemed to be the only way to stop the Cliff foursome of Ripley, Kerr, Coe and Morrow.

Bert McClelland's arrival in Copper Cliff heralded the domination of the school hockey league by the INCO 00 n. Bert's early and repeated successes in this sport were later to earn his school the exclusive right to be the only school from the outside district permitted to play in the new Sudbury league.

War years!!!

The Association carried on undaunted by gasoline rationing which prevented outside travelling, shortage of sugar for energy, and poor quality gym shoes of artificial rubber which blackened the floors. Many players cooked their supper when they arrived home from practice: mother was on afternoon shift at the smelter. Men on the staffs with Physical Education certificates thirty years old filled the breach while the coaches were in the Armed Forces.

The post war years brought keen competition as teams fought for the right to enter N.O.S.S.A. play-offs and the Red Feather. The organization of O.F.S.A.A. tournaments from 1948, further stimulated athletic activity.

In 1945 the Kiwanis Club offered financial assistance to the Association for Track and Field. Sacred Heart College dominated this sport in the next few years. Track stars were sent to Canadian Championships. Some reached the Olympics.

The post-war baby boom finally caught up with the association. By the mid 1950's, provision was made for the entries of Lively, Nickel District and St. Charles. They were soon followed by Lockerby, Lasalle, Lo-Ellen and Garson-Falconbridge. Espanola's conversion from a prisoner-of-war camp to a thriving pulp town, Levack's becoming a district school, new sub-divisions growing in Chelmsford and Blezard-Hamner, increased the Association to 15 schools.

The pressure of extended schedules and play-offs forced the association to divide. With 15 conveners and 150 coaches making reports and recommendations, the meetings were becoming unwieldy.

HISTORY OF THE NICKEL DISTRICT SECONDARY SCHOOL ATHLETIC ASSOCIATION (cont'd)

In May of 1967, the N.O.S.S.A. recognized the City of Sudbury and Nickel District as separate district. The same year, the Sudbury High School Board appointed Alex MacPherson, Physical Education Coordinator for seven of the nine schools in the Sudbury System.

In January 1969, the Sudbury Board of Education was formed and this includes all schools formerly in N.D.S.A.A. and the S.S.S.A.A., so now we are one happy family again looking to the future.

In such cases, the AELS form is to replace the manual form and sent to convener and athletic administrator when completed.

Schools that drop out of a league sport (that has officials' costs) will be charged half of their school portion of the officials' fees if they took part in any league games, and a full portion of officials' fees if they took part in more than half of the league games. All other penalties remain in effect.

RECRUITMENT

Definition of Recruitment:

Recruiting is defined as a representative of a school, either directly or through another party, encouraging a student to attend a school other than that in whose catchment area he or she resides and/or within a shared catchment area for the purpose of being involved in extracurricular sport. The school representative could be a teacher, administrator, school district employee, school employee, student, parent, alumnus, or any person representing themselves as a school contact.

Rationale:

A recruiting prohibition discourages exploitation of students; prevents over emphasis of athletics; gives average student-athletes more opportunity to participate; discourages adults from jeopardizing a student’s eligibility; and prevents misuse of athletic programs.

Indicators and Inducements for Athletic Purposes:

There may be many legitimate times that a school representative and/or coach of a school team will be in contact with students from another school. Therefore, indicators of recruiting have been developed to provide parameters of behavior and expectations for coaches and other school representative(s).

- a school representative shall not initiate contact with any student who does not attend, or does not directly feed into a school, in order to suggest, encourage or explain a transfer to a different school.
- a school representative shall not encourage any other person, including past and present players, to contact any student to suggest, encourage or explain a transfer to a different school.
- a school representative shall not permit a student who is not currently enrolled at the representative’s school to participate in team practices or participate in scheduled team activities (including travel to games/events, team meetings or trips). Direct family members are excepted.
- a school representative shall not permit a student who is not currently enrolled at the representative’s school to attend “open gym” at the representative’s school or attend spring or summer practices, games or camps specifically designated for enrolled students. Direct family members are excepted.
- a school representative shall not entice a student who is not currently enrolled at the representative’s school, or whose present school does not directly feed into the representative’s school, into transferring to the representative’s school.
- where a coach or school representative is approached by a student-athlete or representatives of student-athlete who is not enrolled at the school or at a feeder school, with inquiries concerning the school’s sports teams or programs, the coach or school representative must direct the student-athlete or representative of the student-athlete to the school administration.

RECRUITMENT (cont'd)

A student-athlete may not receive or be offered any remuneration of any kind or receive or be offered any inducement of any kind, which is not made available to all students who enroll in or apply to a school. Inducements for athletic purposes include, but are not limited to:

- Offer or acceptance of money or other valuable consideration such as free or reduced tuition during the regular school year or summer school by any person associated with a school.
- Offer or acceptance of room, board, textbooks or clothing, or financial allotment for textbooks or clothing.
- Offer or acceptance of pay for work that is not performed or that is in excess of the amount regularly paid for such service.
- Offer or acceptance of free transportation by any person associated with the school.
- Offer or acceptance of a residence with any person associated with the school which would result with the student-athlete living with a non-custodial parent.
- Offer or acceptance of any privilege not afforded to non-athletes.
- Offer or acceptance of free or reduced rent for parents or guardians.
- Offer or acceptance of payments of moving expenses of parents or guardians or assistance with the moving of parents or guardians.
- Offer or acceptance of employment of parent (s) or guardian(s) in order to entice the family to move to a certain community if any person associated with the school makes the offer.
- Offer or acceptance of help in securing a post-secondary athletic scholarship.
- Offer or acceptance of the opportunity to gain significant playing time.
- Offer or acceptance of the opportunity to be associated with a more competitive team

Grade 8 Recruitment

A school representative(s) may make general presentations (not just athletic) to eighth grade students (not just athletes). There should be a diversity of presenters, speaking on a variety of topics to students of all interests. When an eighth grade student or the parents of that student, contacts the coach or school representative about attending the representatives school, the coach or representative shall refer the student or parent to the appropriate school administration. High school coaches or their representatives may not attend grade school or youth club games for the purpose of evaluating and recruiting specific prospective athletes.

OPEN HOUSE – The intent of an open house is to allow incoming grade 8 students to gather information regarding curriculum, programs, and the admissions process. School representatives may provide general information to prospective incoming students but no specific details or enticements as to participation if they were to enroll.

However, teams may still, upon mutual consent, approval of the convener and providing sufficient notice is provided, make schedule changes to accommodate their needs.

FORMAT

- 1) Premier Division – A/AA/AAA schools wishing to compete for NOSSA
- 2) Second Division – all remaining schools

Teams must confirm their division of choice at a date chosen by the convener prior to the pre-season meeting. At least five teams must commit to both divisions in order for this format to be adopted.

In the event that at least five (5) teams DO NOT commit to either of the two divisions described above, the format in affect during the 2011 season will be adopted (refer to 2011 version of playing regulations for details).

**HOME FIELD IN

All playoff games will be scheduled in two-hour blocks to allow time for overtime and medal presentations. Subsequent games may be scheduled to start earlier with approval of the official and both teams involved.

**NOSSA
QUALIFICATION**

The school that wins the premier playoff championship may choose the NOSSA championship in which they wish to compete. "A" and "AA" schools that make the championship final series may not be bumped out of a NOSSA position. Should two teams in the same school classification be eliminated from the playoffs at the same point in the series (ie. Semi finals), and only one position at NOSSA is available, the issue will revert back to regular season standings with the highest placed school claiming the NOSSA position.

The top placing "A", "AA" and/or "AAA" team from the Premier Division (after playoffs first, then regular season standings if necessary) will be the NOSSA representative. There will be no challenge game from the top seeded "AA" and/or "AAA" school from the Second Division.

TIE-BREAKERS

1. For all ties involving the last playoff position(s) or for positions that affect advancement to a higher division, tie breaking games must be scheduled.
2. To break all other ties in the final regular season standings, the following criteria will be used:
 - (I) Head to head results, with the winning team being seeded highest.
 - (II) If there is still a tie, the team that has allowed the fewest points amongst the tied teams will get the highest seed.

GIRLS' AND BOYS' SOCCER (cont'd)**TIE-BREAKERS**
(cont'd)

- (III) If still tied, point differential (points for less points against) amongst the games involving the tied teams, the team with the highest differential getting the highest seed.
- (IV) Should the teams still be tied, then the overall point differential between common opponents shall be used

Tie breaking games will be played at the site of the highest placed seed. Should that site be unavailable, not meet sport governing body specifications or not be able to accommodate spectators, then the game will be played at the site of the lower seed. Should either of these locations be unavailable, then the higher seeded team shall select a site. If the higher seed is unable to access a site, the convener shall secure a neutral site. For scheduling, the convener(s) shall leave at least two days for tiebreakers at the end of the schedule before the playoffs.

In ties involving three or more teams, teams will be seeded using the criteria above, and a minimum number of games will be scheduled to decide the issue. Match-ups will be scheduled considering standard playoff formats (ie. if four teams: 4th vs 1st, 3rd vs 2nd, if three teams: 1st receives bye, 3rd plays second, etc)

All tie breaking games are designated as playoff games.

If the scoresheet is not submitted within two school days following the date of the game, the offending team will forfeit the results.

6. A designated adult representing the school must sign the game sheet prior to a game or the game will not proceed.
7. In the event of a forfeiture, the non-offending team will be credited with a 3-0 win.
8. The maximum goal spread allowed to count towards league standings will be four per game. Individual goal scoring statistics will be recorded as per usual.

DISCIPLINE

1. A player receiving a red card will be suspended for the remainder of that game and the next game. The referee must submit a Discipline report for the player to the Convener within 24 hours.
2. If a player receives a yellow card, the player must leave the field of play (substitution is allowed). This player may return to the game at the next available substitution time. The referee must submit a discipline report for the player to the convener within twenty-four hours.

GIRLS' AND BOYS' SOCCER (cont'd)**DISCIPLINE (cont'd)**

SDSSAA Soccer will adopt the OSA mandatory minimum discipline schedule with modifications to reflect length of schedule. No modifications will be applied if pool play games amount to eight (8) or more. Any number of pool play games under eight (8) will apply discipline on a proportionate basis, rounded to the nearest number and no less than one (1). (example: if pool play is six games, a 3/4 proportion of OSA discipline will be applied, rounded to the nearest number and no less than one (1) game).

(n) All teams will be responsible to enter their roster into the gamesheet app that will be selected by the convener/athletic administrator to manage the league prior to their first game, league or exhibition.

**VIOLATIONS/
PENALTIES –
OPENING
STATEMENT**

These guidelines will be reviewed and revised as necessary. Immediately after receipt of a report regarding a player's unsportsmanlike behavior which makes him eligible for a board of reference hearing, the program leader of the school and/or the coach will be advised of the arrangements for a hearing. In all cases, it is the responsibility of the coach and player to attend. Every effort however, will be made to consider the team's practice and game schedules in these situations.

HOCKEY (cont'd)**VIOLATIONS/
PENALTIES -
PLAYERS**

- (a) Suspensions occurring in S.D.S.S.A.A. games are to be served concurrent to the offence. Tournament/exhibition games will count towards the suspension so long as they are scheduled prior to the date of the offence. Suspensions occurring in sanctioned tournaments will apply to the tournament games and to league play.
- (b) Any player receiving a coded offence on three separate occasions will be expelled from the league indefinitely (exceptions: 10 min misconducts and minor checking from behind - GM55).
- (c) Any multiple-game suspension incurred during the final game of the season for the team involved will be doubled. This suspension is to be served in the next SDSSAA sport that the student elects to take part in, or the next hockey season, whichever comes first.
- (d) The number of games to be served for offences incurred during league or tournament play shall be based on the current OHF suspension list.
- (e) In addition to the above, an accumulation of three (3) misconducts, with the exception of M-14, M-34 and M-35, will result in an additional game suspension. If a player accumulates two (2) additional misconducts, an additional game suspension will apply. One additional misconduct incurred after that will be reviewed by the convener and athletic administrator.
- (f) Any player incurring a match penalty for physical abuse of an official shall be immediately expelled from the league. School-supported appeals will be considered by the SDSSAA BoR.

**VIOLATIONS/
PENALTIES -
COACHES**

Based on the nature of the offences, a head coach will be called to a board of reference hearing when the team has accumulated eight (8) misconducts or game misconducts.

Hockey board of reference hearings will be called for any coach who is deemed to be the cause of a game being discontinued, or any coach who is ejected or suspended from a game. Coaches will also be required to attend board of reference hearings for their players unless otherwise notified.

HOCKEY (cont'd)**VIOLATIONS/
PENALTIES –
COACHES (cont'd)**

Should a team collect fifty (50) penalty minutes in a game, the head coach will be suspended for the next game. Should this occur a second time, the head coach will be suspended for the following two (2) games. On the third occasion, the head coach will be called to a Board of Reference (major penalties are included, game ejections count for ten minutes towards the total).

The ten (10) minutes associated with major penalties will count towards the team total if ANY the following applies: (i) the resulting suspension is 3 games or higher, or, (ii) any case involving verbal abuse of official.

**VIOLATIONS/
PENALTIES –
COMMUNITY
SUSPENSIONS**

In all cases, a player intending to play for a high school team but has an outstanding suspension either from a house league or C.H.A.-carded community team is considered suspended until the suspension has been served in full.

In cases where students incur a suspension of 1-2 games in a community league, he will stand suspended from high school play for a period of 72 hours following the date and time of the offence, but will be fully eligible to return to play after that period. For all suspensions of three (3) games or more, community suspensions are to be served on a 1:1 basis in the high school league.

CONVENER

- (a) The convener or designate shall compile a record of player penalties to be reviewed periodically with the Association Executive.
- (b) The convener's decision on any league matters will be final and binding when executed in accordance with the S.D.S.S.A.A. constitution.

**LEAGUE/PLAYOFF
FORMAT**

Should the number of teams permit, entries will be separated into two divisions and a separate champion declared for each. In this scenario, the second division (Division II) will be contested without body checking.

Should less than four (4) teams commit to Division II in any given year, the league will revert to a one division interlocking schedule, with the possibility of splitting into two divisions at some point in the schedule upon approval of a majority of teams entered.

**LEAGUE/PLAYOFF
FORMAT (cont'd)****HOCKEY (cont'd)**

In case of two divisions:

If division I is greater than five (5) teams:

- Quarter finals - 5th vs 4th and 6th vs 3rd - one game series
- Semi finals - Winner of 4th/5th vs 1st and Winner of 6th/3rd vs 2nd - best of three game series
- Finals - winners of semis - best of five game series

If division I is less than or equal to five (5) teams:

- Semi finals - 4th vs 1st and 3rd vs 2nd - best of three game series
- Finals - winners of semis - best of five game series

Division II:

- Semi finals - 4th vs 1st and 3rd vs 2nd - best of three game series
- Finals - winners of semis - best of three game series

In case of one division:

If the league has even number of teams, a split for the second half of the season will be equal. If there are an odd number of teams, then the middle team must decide to play in division A or division B in the second half of the schedule. If a team folds after the regular season has started the 2nd half splitting will still be based on even or odd number teams.

Quarter Final - 5th vs 4th and 6th vs 3rd - one game series

Semi Final - Winner of 4th/5th vs 1st and Winner of 6th/3rd vs 2nd - best of three game series

Final Div I - Winners of semi finals - best of five championship series

When the final standings have been finalized and if there is sufficient time, the convener will give home teams in the playoffs the opportunity to secure night ice. If ice is not available or does not meet the standard established during the regular season, then the convener will use its allotment of seasonal ice to fulfill scheduling requirements.

**OVERTIME IN
PLAYOFFS**

For playoff games only, when the score is tied after the end of regulation time, teams will then play an additional overtime period of not more than ten (10) minutes, with the team scoring first declared the winner. The overtime period shall be played with each team at a numerical strength of three (3) skaters and one (1) goalkeeper. In the event that one team is serving a penalty at the end of regulation time, it shall be four-on-three until the first whistle after the penalty has expired. At the expiration of the penalty the penalized player shall return to the ice and the teams shall play four-on-four until the first whistle at which time the teams shall revert to three-on-three.

HOCKEY (cont'd)**OVERTTIME IN
PLAYOFFS (cont'd)**

If the game remains tied at the end of the five (5) minute overtime period, the teams will proceed to a shootout. The home team chooses to shoot first or second. The teams will not change ends for the shootout.

Three (3) players from each team shall participate in the shootout and they shall proceed as follows: All players are eligible to participate in the shootout unless they are serving a ten-minute misconduct or have been assessed a game misconduct or match penalty. Each team will be given three shots, unless the outcome is determined earlier in the shootout. After each team has taken three shots, if the score remains tied, the shootout will proceed to a "sudden victory" format. No player may shoot twice until everyone who is eligible has shot. Regardless of the number of goals scored during the shootout portion of overtime, the final score recorded for the game will give the winning team one more goal than its opponent, based on the score at the end of overtime.

**NOSSA
REPRESENTATION**

The school that wins the city (playoff) championship may choose the NOSSA championship in which they wish to compete. "AAA" schools that make the championship final series may not be bumped out of a NOSSA position. Should two teams in the same school classification be eliminated from the playoffs at the same point in the series (ie. Semi finals), and only one position at NOSSA is available, a single game sudden victory playoff game will be hosted with the winner claiming the NOSSA position.

VOLLEYBALL**ELIGIBILITY**

As per N.O.S.S.A.

SERIES

Novice

Junior Tier One (Division I) and Tier Two (Division II)

Senior Tier One (Division I) and Tier Two (Division II)

SCHEDULING

Two divisions will be created based on the following criteria:

Division I – any school wishing to compete at the NOSSA “A”, “AA” or “AAA” level.

Division II – all remaining schools

Division I will be the only vehicle for entry to NOSSA. There will be no challenge games between divisions.

If there are ten teams or less registered for junior boys volleyball competition, all teams will compete in the same division, the top six teams will compete for the junior boys division I championship and will be eligible for NOSSA, while the others will compete for the boys division II championship and not be eligible for NOSSA.

In the event that more than ten teams enter, they must follow their senior team’s division of choice.

1. The league schedule will start the third week of September and the play-offs will be completed one week prior to N.O.S.S.A.
2. Triple headers will be used at schools that have Novice programs.

SCORING

Points for each match during the season are awarded on the basis of 2 for a win, 0 for a loss. These points are totaled to see who goes on to the play-offs.

**SCORES AND
SCORESHEETS**

Home teams are responsible to follow up with a scanned copy of the game sheet to the convener by the next school day. Winning teams (home teams in case of tie) are responsible to go on-line and enter the game scores on sdssaa.ca.

VOLLEYBALL (cont'd)**PLAY-OFFS**

S.D.S.S.A.A. Boys' Volleyball will adopt the following play-off structure. All matches will be played at the home of the higher placed team. Best 3 of 5.

9 teams or less: Top 4 play off

Semi finals

1 vs 4 = A

2 vs 3 = B

Finals

A vs B

10 teams or more: Top 6 play off play-off.

Quarter finals

1st and 2nd = bye

3rd vs 6th = A, 4th vs 5th = B

Semi finals

1st vs B = C, 2nd vs A = D

Finals

C vs D

If the finals are to be played at Laurentian University, Cambrian College or Collège Boréal, the finals for Division I and II will be played on a Saturday or Sunday. The recommended times would be:

11:00 am - Division II Junior

1:00 pm - Division I Junior

3:00 pm - Division II Senior

5:00 pm - Division I Senior

If these sites are not available, the Final matches will be played in the home team of the top Senior gym, provided that the gymnasium meets Volleyball Canada Regulations (status quo). When the higher placed team's gym is not available or does not meet Volleyball Canada requirements, the first place senior finisher may choose a regulation size high school gym in which they wish to play the Championship Finals. If not possible, a site will be determined by the convener.

The Head Official will assign certified Volleyball Canada officials as minor officials (2 lines people and 2 scorekeepers) for all final matches. The hosting senior team may be asked to provide competent minor officials as scorekeepers if the Head Official is unable to provide qualified minor officials.

A Division II team that wishes to challenge a Division I team for a NOSSA "B" position must notify (in writing) the Division I and II conveners regarding their intent to challenge one week prior to the beginning of playoffs.

VOLLEYBALL (cont'd)**N.O.S.S.A. ENTRIES**

- (i) For purposes of N.O.S.S.A. entry, Division I will serve as the vehicle for entry to "A", "AA" and "AAA".
- (ii) Challenge matches, where necessary, will be scheduled by the conveners and played on the Monday and Tuesday preceding N.O.S.S.A.
- (iii) At the conclusion of the Division I City Championship Final, the winner will have the opportunity to choose their intent to participate for NOSSA "A", "AA" or "AAA", provided they do not displace the Finalists from a NOSSA entry. The Finalists would then have the next choice of level to NOSSA. If only one (1) NOSSA entry remains, the next highest playoff finisher will have the right to the entry. If two teams were eliminated from the playoffs at the same level, a match will be played (if necessary) and the winner will be declared the NOSSA rep. Should two (2) or more NOSSA entries remain, entries will be filled by the semi-finalist (and then the quarter finalist) teams in order of highest league standings, until all spots are filled.

BREAKING TIES

To break all ties in the final regular season standings, the following criteria will be used:

- (I) Head to head results, with the winning team being seeded highest.
- (II) If there is still a tie, the team that has allowed the fewest points in games involving the tied teams will get the highest seed.
- (III) If still tied, point differential (points for less points against) amongst the games involving the tied teams, the team with the highest differential getting the highest seed.
- (IV) Should the teams still be tied, then the overall point differential between common opponents shall be used.

Tie breaking games will be played at the site of the highest placed seed. Should that site be unavailable, not meet sport governing body specifications or not be able to accommodate spectators, then the game will be played at the site of the lower seed. Should either of these locations be unavailable, then the higher seeded team shall select a site.

If the higher seed is unable to access a site, the convener shall secure a neutral site. For scheduling, the convener(s) shall leave at least two days for tiebreakers at the end of the schedule before the playoffs.

VOLLEYBALL (cont'd)**BREAKING TIES**
(cont'd)

In ties involving three or more teams, teams will be seeded using the criteria above, and a minimum number of games will be scheduled to decide the issue. Match-ups will be scheduled considering standard playoff formats (ie. if four teams: 4th vs 1st, 3rd vs 2nd, if three teams: 1st receives bye, 3rd plays second, etc). Where two games are necessary, the scheduling of the first tie-breaker will be on Friday at 5pm and the 2nd match will be at 7pm at the highest seeded gym. The tie breakers will be 2/3 matches.

All tie breaking games are designated as playoff games.

- a) 12 Substitution Rule: For SDSSAA competition, teams are allowed a maximum of 12 substitutions in any one set. There is no limit to the number of times a player may leave or re-enter a set, as long as the maximum number of substitutions is adhered to and they leave or re-enter for the same player. GIRLS' BASKETBALL

ELIGIBILITY

See Constitution - Article IX, Pages 20.

Only two (2) non-current team players will be allowed to move up to play in the higher division per game.

SCHEDULING

Two divisions will be created based on the following criteria:

- Division 1 – Any school wishing to compete at the NOSSA level
- Division 2 – All remaining schools

Division 1 will be the only vehicle for entry into NOSSA. There will be no challenge games between divisions.

Should fewer than four (4) teams confirm participation in Division I (in a single age category), ***the convenor will poll the Division 1 requesting teams to determine if they would like to remain Division 1 or move to Division 2. If the convenor and Division 1 requesting teams decide that a viable league is not possible,*** then all teams will be combined into a single division for league play. Should the number of teams exceed the maximum allowed league games for a single round robin, the league will be split into two pools. It shall be the decision of the convenor to determine whether a single or double round robin will be played. The convenor will attempt to balance out the strength of each pool. It is suggested to split up the teams originally requesting Division I in different pools. If a single Division, the playoffs will be a cross-over involving the top three finishing teams from each pool.

- 1st Pool A – bye
- 1st Pool B – bye
- Quarter #1 – 2nd Pool A vs 3rd Pool B
- Quarter #2 – 2nd Pool B vs 3rd Pool A
- Semi #1 – 1st Pool A vs winner Quarter #2
- Semi #2 – 1st Pool B vs winner Quarter #1
- Final – winner Semi #1 vs winner Semi #2

NOSSA representation will be determined from this single division.

Schools shall declare by the second Monday in September whether they have a junior and/or senior team. The junior team does not need to follow the senior team in terms of division of play.

GIRLS' BASKETBALL (cont'd)**SCHEDULING
(cont'd)**

Junior and Senior division 2 leagues will play a maximum of six games in league play (one per week if possible). If this leads to an unbalanced schedule, the convenor will attempt to balance games between top end and lower end teams from the previous year's results.

There will be a convener for each of Division I and Division II.

Single games will be scheduled to start at 6pm. Double header games will be played at 5pm and 6:30pm. Triple header games will be played at 5pm, 6:30pm and 8pm.

If an unbalanced schedule is required, the win-loss record will only be counted in the first round of play, and not count for the extra games drawn (ex, 7 team league and 6 games count for win-loss record, single round robin).

Should fewer than four teams confirm participation in the girls novice basketball league, they shall be given the opportunity to participate in the junior division II league or withdraw their team. After the regular season, the highest ranked junior teams (four or six depending upon number of teams in league), would advance to the junior playoffs, while the novice teams (in order of standings), would advance to the novice playoffs.

Should fewer than two teams confirm participation in the girls' novice basketball league, they shall be given the option to participate in the junior division 2 league or withdraw their team. The novice team will not be eligible for the junior division 2 playoffs and will be declared Novice champions.

Should a school have both a junior division II team and a novice team entered, the game scheduled between the two must be the first game of the season (should the schedule be a round robin, the game should be the first of each round).

For additional information refer to the Constitution - Article XIII, Pages 40-42.

PLAY-OFFS

The playoff structure for each league will be determined at the pre-season meeting.

GIRLS' BASKETBALL (cont'd)**PLAY-OFFS (cont'd)**

Division I and Division II champions will be declared and will receive a trophy and appropriate awards.

For championship finals, the host school shall set the game times to be no earlier than 12pm and no later than 8pm start times in consecutive 2 hour time slots. Games will be played at the highest ranking senior school.

Should that site be unavailable, not meet sport governing body specifications or not be able to accommodate spectators, then the championship games will be played at the site of the other finalist. Should either of these locations be unavailable, then the higher ranked team shall secure another appropriate high school site. If the higher ranked team is unable to access a site, the convener shall secure a neutral high school site.

HOSTING PLAY-OFFS

School responsibilities when hosting the basketball championship:

1. Teacher supervision for spectators.
2. Physical preparation of the gym (safety, first aid, benches, bleachers, etc.)
3. Music for warm-up.
4. Trained minor officials.
5. Microphone and presentation table for convener.
6. Custodian being available.

AWARDS

Refer to the Constitution - Article XIV, Page 14 (b).

OFFICIALS

Major officials will be provided by the referee-in-chief.

Minor officials (timekeepers, scorers and shot clock operators) will be provided by the **home school for all league and play-off games.**

In the event that only one official reports to do a game, after a fifteen minute waiting period from the scheduled start time, the game should be cancelled unless both officials report to do the game. No game will be officiated with only one official present.

RULES

Rules will be as per OFSAA playing regulations, with the exception of the rule dealing with the home team having to wear white uniforms and the rule for maximum number of players on a roster.

GIRLS' BASKETBALL (cont'd)**RULES (cont'd)**

After the court has been cleared, teams shall be allowed a minimum of fifteen (15) minutes to warm up.

TIE BREAKERS

- (a) Where ties involve the last playoff position(s), tie breaking games must be scheduled.
- (b) To break all other ties in the final regular season standings, the following criteria will be used:
 - (i) Head to head results, with the winning team being seeded highest.
 - (ii) If there is still a tie, the team has allowed the fewest points amongst the tied teams will be the highest seed.
 - (iii) If still tied, point differential (points for less points against) amongst the games involving the tied teams, the team with the highest differential getting the highest seed.
 - (iv) Should the teams still be tied, then the overall point differential between common opponents shall be used.

Tie breaking games will be played at the site of the highest placed seed. Should that site be unavailable, not meet sport governing body specifications or not be able to accommodate spectators, then the game will be played at the site of the lower seed. Should either of these locations be unavailable, then the higher seeded team shall select a site. If the higher seed is unable to access a site, the convener shall secure a neutral site. For scheduling, the convener(s) shall leave at least two days for tiebreakers at the end of the schedule before the playoffs.

In ties involving three or more teams, teams will be seeded using the criteria above, and a minimum number of games will be scheduled to decide the issue. Match-ups will be scheduled considering standard playoff formats (ie. if four teams: 4th vs 1st, 3rd vs 2nd, if three teams: 1st receives bye, 3rd plays second, etc)

- (c) All tie breaking games are designated as playoff games.

GIRLS' JUNIOR AND SENIOR BASKETBALL (cont'd)**N.O.S.S.A.
REPRESENTATION**

- (a) The NOSSA representative from the SDSSAA will be the team that advances the farthest in local, divisional play when all teams in the same category play in the same division.
- (b) If two teams lose at the same level in the playoffs and are in the same category, there will be a game played between the tied teams to ensure the best NOSSA representation. This game will take place if the regular season format is a single round robin or a split record in a double round robin format, in the gym of the higher standing team.
- (c) If only one division exists, all NOSSA reps will be decided by:
 - i. their advancement in the league until eliminated (farthest)
 - ii. challenge match, if tied in #2 above.

At the conclusion of the Division I City Championship Final, the winner will have the opportunity to choose their intent to participate for NOSSA "A", "AA" or "AAA", provided they do not displace a second place team from a NOSSA entry. The second place finisher would then have the next choice of level to NOSSA. If two teams are needed for NOSSA, the next highest seed semi finalist (based on league standings) will have a choice to move on. If a position opens up at a NOSSA Championship because another region does not fulfill their commitment, the league convener must be contacted by the Athletic Administrator and the NOSSA Convener. At this time, the appropriate schools will be contacted.

GAME BALL

The SDSSAA will use the OFSAA official ball for all games. The brand of ball used by OFSAA will be reviewed at the pre-season meeting.

The number of games to be served shall correspond to the high school suspension list. In all cases, it is the player's responsibility to advise the coach of any community suspensions.

Any suspension incurred during the final game of the season for the team involved will be doubled. This suspension is to be served in the next SDSSAA sport that the student elects to take part in, or the next hockey season, whichever comes first.

GIRLS' HOCKEY (cont'd)**VIOLATIONS/
PENALTIES (cont'd)**

- (b) Suspensions are to be served concurrently. Exhibition or tournament games will count towards suspensions so long as they are scheduled prior to the offence.
- (c) The name of a suspended player is also written on the scoresheet (e.g. Bertolo - 2nd of 3 game suspension).

PLAY-OFFS

- (a) The top four teams in the league standings will advance to the play-offs, with first place finisher playing the fourth place, and second playing third place. A best two out of three game series will be played in both semi-finals and finals.

In the event that six teams are permitted to go into the playoffs, the top two teams will get a bye into the next round. The third place team would play the sixth place team and the fourth place team would play the fifth. Should a lower placed team (i.e. sixth) defeat a higher placed team (i.e. third), then the lower placed team would play the top team in the next round.

- (b) Where ties involve the last playoff position(s), tie breaking games must be scheduled.
- (c) To break all other ties in the final regular season standings, the following criteria will be used:
 - (I) Head to head results, with the winning team being seeded highest.
 - (II) If there is still a tie, the team with the most number of wins amongst the tied teams will be seeded highest.
 - (III) If there is still a tie, the team that has allowed the fewest points in games involving the tied teams will get the highest seed.
 - (IV) If there is still a tie, the team that has allowed the fewest points in games involving common opponents will get the highest seed.
 - (V) If still tied, point differential (points for less points against) in games involving the tied teams will get the highest seed.
 - (VI) If still tied, point differential (points for less points against) in games involving common opponents will get the highest seed.
 - (VII) If still tied, the team that recorded the fewest penalties (where applicable) will get the highest seed.
 - (VIII) If still tied, a single coin toss will decide the issue.

GIRLS' HOCKEY (cont'd)**PLAY-OFFS (cont'd)**

Tie breaking games will be played at the site of the highest placed seed. Should that site be unavailable, not meet sport governing body specifications or not be able to accommodate spectators, then the game will be played at the site of the lower seed. Should either of these locations be unavailable, then the higher seeded team shall select a site. If the higher seed is unable to access a site, the convener shall secure a neutral site. For scheduling, the convener(s) shall leave at least two days for tiebreakers at the end of the schedule before the playoffs.

In ties involving three or more teams, teams will be seeded using the criteria above, and a minimum number of games will be scheduled to decide the issue. Match-ups will be scheduled considering standard playoff formats (ie. if four teams: 4th vs 1st, 3rd vs 2nd, if three teams: 1st receives bye, 3rd plays second, etc)

All tie breaking games are designated as playoff games.

For playoff games only, when the score is tied after the end of regulation time, teams will then play an additional overtime period of not more than five (5) minutes, with the team scoring first declared the winner. The overtime period shall be played with each team at a numerical strength of three (3) skaters and one (1) goalkeeper. In the event that one team is serving a penalty at the end of regulation time, it shall be four-on-three until the first whistle after the penalty has expired. At the expiration of the penalty the penalized player shall return to the ice and the teams shall play four-on-four until the first whistle at which time the teams shall revert to three-on-three.

**PLAY-OFF
PROCEDURES**

If the game remains tied at the end of the five (5) minute overtime period, the teams will proceed to a simultaneous shootout. The teams will not change ends for the shootout. Three (3) players from each team shall participate in the shootout and they shall proceed as follows: All players are eligible to participate in the shootout unless they are serving a ten-minute misconduct or have been assessed a game misconduct or match penalty. Each team will be given three shots, unless the outcome is determined earlier in the shootout.

After each team has taken three shots, if the score remains tied, the shootout will proceed to a "sudden victory" format. No player may shoot twice until everyone who is eligible has shot.

GIRLS' HOCKEY (cont'd)**PLAY-OFF
PROCEDURES
(cont'd)**

Regardless of the number of goals scored during the shootout portion of overtime, the final score recorded for the game will give the winning team one more goal than its opponent, based on the score at the end of overtime.

**NOSSA
REPRESENTATION**

NOSSA representation will be derived from Division I play-offs first, then Division I regular season standings. No challenges from Division II will be permitted for NOSSA positions.

At the conclusion of the Division I City Championship Final, the winner will have the opportunity to choose their intent to participate for NOSSA "A"/"AA" or "AAA", provided they do not displace a second place team from a NOSSA entry. The second place finisher would then have the next choice of level to NOSSA. Additional NOSSA entries would be filled by the next highest finishing teams in the Division I playoffs. If two teams are eliminated in the same round of playoffs, then the team with the best regular season record between the two would have priority to choose their NOSSA classification.

CONVENER

- (a) The convener shall compile a record of player penalties to be reviewed periodically with the Association Executive.

1. For purposes of N.O.S.S.A. entry, Division I will serve as the vehicle for entry to NOSSA B, A, AA and AAA.
2. Challenge matches, where necessary, will be scheduled by the conveners and played on the Tuesday and Wednesday preceding N.O.S.S.A.
3. At the conclusion of the Division I City Championship Final, the winner will have the opportunity to choose their intent to participate for NOSSA "A", "AA" or "AAA", provided they do not displace the Finalists from a NOSSA entry. The Finalists would then have the next choice of level to NOSSA. If only one (1) NOSSA entry remains, the next highest playoff finisher will have the right to the entry. If two teams were eliminated from the playoffs at the same level, a match will be played (if necessary) and the winner will be declared the NOSSA rep. Should two (2) or more NOSSA entries remain, entries will be filled by the semi-finalists (and then the quarter finalists) teams in order of highest league standings, until all spots are filled.

4. The Division II Champion has the right to choose (ONE) NOSSA category and challenge the lowest place entry into NOSSA in that category, from Division I to a match. The winner will be the NOSSA representative for the category chosen. Challenge matches will take place at the Division I school. Should the Div. 2 Champion be the highest seeded B NOSSA representative, yet challenges a Div. 1 school for an A, AA, or AAA NOSSA spot, the Div. 2 challenger gives up their right to register in the B NOSSA. In this case, B NOSSA entry will be filled by the next highest playoff finisher. If two 'B' teams were eliminated from the playoffs at the same level, a match will be played (if necessary) and the winner will be declared the NOSSA rep.
