**RULES OF ORDER
(ADAPTED FROM OSSTF RULES OF ORDER)**

The responsibility for conducting meetings lies with the Chief Executive Officer, or the person designated by the Chief Executive Officer to chair the meeting or selected by the jurisdiction in accordance with its Constitution and By-laws.

ROLE OF THE PRESIDING OFFICER

- (A) The Presiding Officer calls the meeting to order at the appointed time.
- (B) The Presiding Officer announces the business which should come before the assembly in its proper order usually in the form of a printed agenda.
- (C) The Presiding Officer assigns the floor to members who desire to speak. Once the Presiding Officer has recognized the right of a member to the floor, it is the duty of the Presiding Officer to protect the speaker from disturbance or interference. On the other hand, the Presiding Officer must never hesitate, when the interest of the organization or its members requires, to permit a speaker to be interrupted, or to limit the number of speakers to a motion.
- (D) The Presiding Officer reads all motions that have been correctly moved and seconded. The Presiding Officer may require a restatement, in the best possible form and without changing the intent, of any motion the proposer has failed to submit correctly or clearly.
- (E) The Presiding Officer explains what the effect of a motion would be if it is not clear to every member. The Presiding Officer makes certain that members understand exactly what business is pending.
- (F) The Presiding Officer restricts discussion to the question before the assembly.
- (G) The Presiding Officer is responsible for answering all Parliamentary Inquiries and for deciding Points of Order and Questions of Privilege as soon as they arise.
- (H) The Presiding Officer never debates a motion while presiding.
- (I) When discussion on a question has ceased or has been closed by a motion to that effect, the Presiding Officer is responsible for restating the exact question upon which the assembly is to vote and for putting the question to a vote.
- (J) When necessary, the Presiding Officer decides whether the motion has two or more independent parts that may be voted on separately.
- (K) When necessary, to verify and indicate a vote by show of hands, the Presiding Officer may require voters to rise and be counted.
- (L) The Presiding Officer votes only in case of a tie vote.
- (M) The Presiding Officer states definitely and clearly the result of the vote.
- (N) The Presiding Officer protects the assembly from annoyance by refusing to recognize motions that are frivolous in character or that are made solely for the purpose of blocking business or of consuming time.
- (O) The Presiding Officer may be advised on parliamentary procedures by a Steering Committee which may consist of one or more persons.

RULES OF ORDER (cont'd)

DEBATE

- (A) No debate shall be held on a topic until there is a motion on the floor.
- (B) All main motions and amendments thereto shall be written and presented prior to the vote to the Presiding Officer or to the Resolutions Committee.
- (C) The mover of a motion shall have the privilege of being the first speaker in the debate on the motion, and shall have the further privilege of speaking once more to conclude the debate.
- (D) Members who wish to speak to a motion must first be recognized by the Presiding Officer and should begin by stating whether they support or oppose the motion, are moving an amendment, or have other intentions.
- (E) Members shall not speak more than once to a motion, except as provided in (C) above.
- (F) After a motion or an amendment has been debated, the Presiding Officer calls the question by asking those in favour of the motion to so indicate, followed by those opposed. The Presiding Officer then declares the motion "carried" or "lost". In the case of a tie vote, the Presiding Officer casts the deciding vote.
- (G) A time limit may be set on debate if the assembly so decides.

RULES OF ORDER (cont'd)

AMENDMENTS

(A) A motion may be amended by:

- (1) Insertion or addition,
- (2) Deletion,
- (3) Deletion for insertion,
- (4) Substitution

(B) An amendment must bear such close relationship to the motion that the basic intent of the motion is not changed.

(C) There may be an amendment to the amendment but not more than one such subamendment may be debated at any one time.

(D) The sequence of voting on an amendment motion is as follows:

- (1) the amendment to an amendment (subamendment),
- (2) the amendment,
- (3) the main motion.

INCIDENTAL REQUESTS AND APPEALS

(A) Requests (may interrupt debate; no vote required):

- (1) Question of Privilege – relates to any matter affecting rights and immunities of the assembly collectively, or to the position, reputation and conduct of members in their respective character.
- (2) Points of Order – question to the Presiding Officer regarding a possible breach of Rules of Order.

(B) Parliamentary Inquiry (must be recognized in the order of debaters):

- (1) a question to the Presiding Officer relating to procedure or to the meaning or effect of the impending motion.
- (2) a question to the debater or proposer of the motion about the pending motion.

(C) Appeals (vote required):

- (1) Appeal the decision of the Chair – the challenging member may state his/her reason for objecting to the decision of the Presiding Officer and the Presiding Officer may reply; the vote is on "supporting" or "overruling" the Chair's decision; a simple majority is required.
- (2) Appeal the decision to withdraw a motion – if any member objects to the withdrawal of a motion once it is on the floor, the assembly must vote on a procedural motion to permit the withdrawal; simple majority to carry.

RULES OF ORDER (cont'd)

ORDER OF PRECEDENCE OF MOTIONS

The procedures with respect to motions shall apply as set forth in the accompanying table. Motions shall have precedence according to this table. Each motion on the list has precedence over those below and is superseded by those above.

Conveners must notify all schools of changes in playing dates at least one month in advance. District Secretaries must bring a list of conveners to the Resolutions Meeting for activities for which their district is responsible. If a district is unable to host an activity due to a strike or work to rule, then the convenership of that activity will go to any other district who requests it. Districts have until first Friday of the school year to confirm their participation in NOSSA junior boys football.

HISTORY OF THE NICKEL DISTRICT SECONDARY SCHOOL ATHLETIC ASSOCIATION

In the early 1930's there was no need for a District Constitution. J.D. Wallace was Principal of the Sudbury High and Mining and Technical Schools. There was one combined Physical Education Department and the nearest competition was North Bay. Life was simple.

L.E.R. Stephens became Principal of the Mining and Technical School in 1934. Physical Education continued jointly with the High School under Ed Wiley in their 'match-box' gymnasium: Bob McDorinan taught some of Tech's classes and Redmond Kinschular was active in coaching the combined football team. Competition was extended to include Sault Ste. Marie. Life was still very simple.

In 1937, the Technical School broke away and formed its own department under Wilf Bell and Ellis Hazen. The same year Copper Cliff High School was built and their teams played exhibition games with the two city schools.

In 1938 to 1939, Capreol entered to play hockey. There were no problems: a telephone call now and then arranged schedules and play-offs.

The first interscholastic competition was in football: High 32, Tech 3: High 36 Tech 5: a sudden death playoff in six inches of mud resulted in a close score, Tech 7, High 6. The Technical School dressing room was a hut built by Mr. Irvine's boys in the wood-working shop. It had no heat, no lights, no toilets, no showers. High School, gracious in defeat, offered their 2-nozzle shower room to the Tech boys to wash off the mud.

As competition against High School stiffened with the development of teams in Copper Cliff and Tech, it was inevitable that disputes would arise. Service Clubs were approached with the prospect of acting as Boards of Reference or arbitrators. Finally the three schools decided to organize an association to settle arguments among themselves.

Joe Costigan of Sudbury High called the first meeting in the fall of 1939 and this was attended by Bill Harrington and Ellis Hazen. Bill was elected President, Joe - Vice-President, and Ellis - Secretary-Treasurer with no bank account.

Thus the Nickel District Secondary School Athletic Association was born.

The building of the Tech Gymnasium in 1940, now today as the 'C' Gym, coincided with the arrival of Alex MacPherson. Activity increased, meetings were longer, there was more to talk about as Alex poured out ideas from T.S.S.A. and T.D.I.A. The size of the football teams jumped from 6-man to 9-man. Zone defence in basketball became so deadly in High's 'match-box' gymnasium, it was almost outlawed by the Association.

HISTORY OF THE NICKEL DISTRICT SECONDARY SCHOOL ATHLETIC ASSOCIATION (cont'd)

The first Interscholastic Skiing was between Copper Cliff and Tech in 1940. Tech's team ran Slalom in cross-country skiis. The championship was decided in the 15 and under class. Copper Cliff won. Next year it was decided in the 16 year class: Copper Cliff won again.

The third year Copper Cliff won again. One of the first notices of motion to the Association was announced: the championship will be decided by adding the scores of all age groups. This seemed to be the only way to stop the Cliff foursome of Ripley, Kerr, Coe and Morrow.

Bert McClelland's arrival in Copper Cliff heralded the domination of the school hockey league by the INCO 00 n. Bert's early and repeated successes in this sport were later to earn his school the exclusive right to be the only school from the outside district permitted to play in the new Sudbury league.

War years!!!

The Association carried on undaunted by gasoline rationing which prevented outside travelling, shortage of sugar for energy, and poor quality gym shoes of artificial rubber which blackened the floors. Many players cooked their supper when they arrived home from practice: mother was on afternoon shift at the smelter. Men on the staffs with Physical Education certificates thirty years old filled the breach while the coaches were in the Armed Forces.

The post war years brought keen competition as teams fought for the right to enter N.O.S.S.A. play-offs and the Red Feather. The organization of O.F.S.A.A. tournaments from 1948, further stimulated athletic activity.

In 1945 the Kiwanis Club offered financial assistance to the Association for Track and Field. Sacred Heart College dominated this sport in the next few years. Track stars were sent to Canadian Championships. Some reached the Olympics.

The post-war baby boom finally caught up with the association. By the mid 1950's, provision was made for the entries of Lively, Nickel District and St. Charles. They were soon followed by Lockerby, Lasalle, Lo-Ellen and Garson-Falconbridge. Espanola's conversion from a prisoner-of-war camp to a thriving pulp town, Levack's becoming a district school, new sub-divisions growing in Chelmsford and Blezard-Hamner, increased the Association to 15 schools.

The pressure of extended schedules and play-offs forced the association to divide. With 15 conveners and 150 coaches making reports and recommendations, the meetings were becoming unwieldy.

HISTORY OF THE NICKEL DISTRICT SECONDARY SCHOOL ATHLETIC ASSOCIATION (cont'd)

In May of 1967, the N.O.S.S.A. recognized the City of Sudbury and Nickel District as separate district. The same year, the Sudbury High School Board appointed Alex MacPherson, Physical Education Coordinator for seven of the nine schools in the Sudbury System.

In January 1969, the Sudbury Board of Education was formed and this includes all schools formerly in N.D.S.A.A. and the S.S.S.A.A., so now we are one happy family again looking to the future.
