PLAYOFFS

- 1-** First Place in each division along with 4 Wild Card teams.
- 2-** In case of a tie during a round robin game or playoffs we will use SPN extra inning rules.
- 3-** In case of a tie to get into the playoffs we will look at:

- Head to Head
- Runs Against and Runs For
- Runs For Divided by Runs For And Against

ex: Team #1 36 Runs For
 36 Runs For and 29 Runs Against = 65
 $36/65 = \mathbf{0.55384615}$

Team #2 36 Runs For
 36 Runs For and 30 Runs Against = 66
 $36/66 = \mathbf{0.54545454}$

Team #1 MOVES ON

- 4-** The 4 Wild Card teams will be the 4 teams with the best remaining records after the first place teams in each division. If tied for a Wild Card we will use rule #3.
